

Resolution authorizing the City Manager or designee to proceed with the Residential Street Reconstruction Test Project to gather pricing and scoping information in order to develop a Residential Street Reconstruction Program.

WHEREAS, in October 2015, City Council created the Ad Hoc Residential Street Infrastructure Advisory Committee to evaluate and provide recommendations for a Residential Street Reconstruction Program;

WHEREAS, the Ad Hoc Residential Street Infrastructure Advisory Committee presented its final report to City Council in June 2016 that included several recommendations;

WHEREAS, Staff has been working to develop a Residential Street Reconstruction Program and has identified several areas that support the idea of doing one or more test projects to better define the scope and costs of the program;

WHEREAS, Staff has identified two street sections as representative test projects because the sections represent some of the worst residential street sections in the city and each section has different characteristics and conditions;

WHEREAS, Staff will use the information from the test projects and the recommendations from the Ad Hoc Residential Street Infrastructure Advisory Committee to further develop the Residential Street Reconstruction Program.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORPUS CHRISTI, TEXAS:

SECTION 1. The City Manager, or designee, is authorized to proceed with the Residential Street Reconstruction Test Project by reconstructing Ralston Street, from South Staples Street to Alameda Street, and Rogerson Drive, from McArdle Road to Sunnybrook Road.

SECTION 2. The Resolution shall take effect and be in full force immediately after its adoption by the City Council.

ATTEST

Rebecca Huerta
City Secretary

THE CITY OF CORPUS CHRISTI

Nelda Martinez
Mayor
