Board-specific questions (if applicable)

Question applies to LEADERSHIP COMMITTEE FOR SENIOR SERVICES.

Per city ordinance, the committee must include representatives from certain categories. Do you qualify for any of the following categories? *

None of the Above

GEORGE A. BERRY

Energetic, innovative, tenacious and meticulous – these are attributes I have heard from co-workers, from supervisors and from commanding officers in the military. I want to apply these talents as I contribute to an enterprise.

When I transitioned from the military to counter-drug operations, I displayed technical expertise with high-tech sensors and command-and-control communications. I volunteered for missions, including operations in Central and South America. When drug smugglers changed tactics, I was a team player in adapting interdiction procedures to thwart them. While based at our center in Corpus Christi, I took courses at Texas A&M University; then management tasked me to analyze organization expenses, and I found efficiencies that saved more than \$ 10,000 per month – on going.

After retirement from U.S. Customs, I worked as a Research Assistant/Analyst for a Private Investigator for two years. I was able to delve into cases and find answers, mainly through analysis of data from computer searches and courthouse research. My efforts led to successful determinations of cause factors in construction deficiencies, in locating missing persons, and in the arrest of one rapist. I was tasked to be a Process Server, and I had an 85% success rate vs. “dead beat” dads.

For Operation Desert Shield/Desert Storm, I was a recalled Reservist assigned to Aviation Logistics. I spent extra hours studying the capabilities and location of all assets for the mission. The Navy Achievement Medal recognized me for flexible and innovative problem solving.

My main employment for the last 8 years has been as a commercial Notary Public. Under contract to Title Companies, I meet with individuals who are refinancing their homes or investment properties. As necessary, I answer their questions about documents. **I have also assisted residents of a retirement home with notarizations; usually I do these pro bono.** I was a Nueces County deputy voter registrar; will renew soon.

My education includes a Business and Public Administration degree (1970) and a Post-Baccalaureate degree in Accounting (1994). I have taken additional courses in Ports and in Foreign Trade.

Interests and Memberships:

2011 – present twice weekly volunteer at Loaves & Fishes; annual Feast of Sharing on Christmas Eve

2008 – 2013 Volunteer with United Methodist Committee on Recovery helping disaster victims after fires, floods and hurricane.

2003 – 2013 Coordinator, Neighbors On Watch

2007 – present Corpus Christi Christian Business Association, member; recently appointed to Board of Directors

1968 – 1970 Tau Kappa Epsilon fraternity, Secretary and Treasurer

2009 – 2017 Board of Directors, Oso Townhome Home Owner Association

1991-1996 Member, Corpus Christi Chamber of Commerce International Trade Committee representing U.S. Customs

1992 – 2014 Member, Regional Safety Officer (rapier) and Treasurer for local chapter of the Society for Creative Anachronism (reenactor of Renaissance sword fighting)

Language: Basic Spanish (rusty)

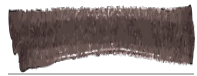

Computer: Experienced with Microsoft Word and Excel. Proven success in web research while working in Law Enforcement and as a Research Assistant to a Private Investigator. *(Note: successful after being trained.)*
