Education, Professional and/or Community Activity (Present)

I served as a member of the Corpus Christi City Council for 14 years, from 1993 to 2001 and from 2003 to 2009. I served on the Sister City Committee from 2000 to 2003 and from 2009 to 2013. I have also been a member of several other boards and commissions, and other community organizations as noted on my resume, attached.

Why are you interested in serving on a City board, commission or committee?

I thoroughly enjoyed working with the Sister City Program both as a member and a member of the City Council in the past. I developed strong relationships with our Sister City Counterparts in other countries which I maintain to this day. I believe it is an extremely important program for our young people to interact with those of our Sister Cities and develops a strong awareness of our common goals and challenges.
