RELEASE OF LIABILITY AND COVENANT NOT TO SUE

STATE OF TEXAS §
COUNTY OF NUECES §

This **release of liability and covenant not to sue** (“**Release**”) is executed on the date indicated below and is entered into for the purpose of releasing the City of Corpus Christi and its officers, officials, employees, representatives, agents, and volunteers (collectively, the “City”) from any and all liability whatsoever arising out of, caused by, or in any way connected with, either proximately or remotely, wholly or in part, participation by **Francisco Villegas, Jr.** (“Contractor”), an individual, in providing services to and for the City, which is the subject of the attached contractual agreement (“Agreement”) between the City and Francisco Villegas, Jr..

This Release serves to relinquish and forever waive certain legal rights to which Contractor may be entitled by law or in equity. As such, Contractor is encouraged to consult with an attorney of his/her own choosing and at Contractor’s sole expense prior to signing this document; however, Contractor may voluntarily choose to sign this Release without obtaining such consultation.

I, Francisco Villegas, Jr./Contractor, in exchange for the City allowing me to forego the condition of providing workers' compensation insurance coverage (which includes covering myself or obtaining a separate health policy covering myself) as a requirement of the Agreement, do hereby voluntarily enter into the following covenants:

1. I acknowledge that the capacity in which I will be participating in the Agreement is that of an independent contractor and not as an employee or agent of the City. I further understand that, as an independent contractor, I will receive no workers’ compensation benefits, health benefits, disability benefits, nor other insurance benefits of any kind which might be available to full-time employees of the City and that, as an independent contractor, I am fully responsible for incurring the cost of and paying for any medical services that I may require during the term of the Agreement;
2. I acknowledge and understand that there may be risks involved in participating in the Agreement, I voluntarily and knowingly assume any and all such risks, and I shall rely solely on myself and not the City in determining what those risks are and the extent of and exposure to the risks involved. I understand and agree that I am participating in this Agreement at my own risk, and I hereby release, waive, and in all ways relinquish any and all present and future claim(s) against the City that I, my heirs, successors, permitted assigns, or any other person or entity (as used collectively here and hereinafter as “I”) may assert, have, or acquire as a result of any bodily injury (including serious injury resulting in death), property damage, or loss of any kind whatsoever to myself or to my real or personal property arising out of, resulting from, or in any way connected with my participation in the Agreement between myself and the City;
3. I hereby release the City from all liability and waive and relinquish any and all such claims which may arise, and I further covenant not to file any lawsuits against nor join in any lawsuits with others to sue the City for any such claim, injury, loss, damage, or expense from participating in the Agreement regardless of whether the same may arise,

result from, or be caused by any negligence or gross negligence of the City;

4. I acknowledge that the services I provide pursuant to the Agreement may occur on real property located in the City of Corpus Christi, Nueces County, Texas, and that may be owned, leased, controlled, or managed by the City. Further, I acknowledge that my services under the Agreement may, at times, be performed with tools, equipment, and other personal property owned, leased, controlled, or managed by the City. By execution of this Release, it is my express intention to completely absolve the City of all potential liability caused by, arising out of, or incident to my performance of services on City real property and that may be performed with tools, equipment, or other personal property of the City;

5. I desire and agree that this Release shall apply to any and all activities during or in any way connected with my individual participation in the Agreement and my performance under such Agreement;

6. I agree that this Release shall be governed by and be enforceable under the laws of the State of Texas. Venue shall lie in Nueces County, Texas, where the Agreement is performed and my services are provided;

7. I acknowledge and fully understand that I am required by State law to provide workers' compensation coverage for any person(s) that I employ who participate in providing or performing any of the services under the Agreement and agree to so obtain the required workers' compensation coverage as mandated under this Agreement; and

8. I hereby acknowledge that I have been informed in writing that I may consult an attorney prior to signing this Release. I have carefully and thoroughly read the foregoing provisions of this Release of Liability and Covenant Not to Sue and, intending to be legally bound, voluntarily accept each of its terms and conditions and willingly agree to the covenants to which I am bound.
