GENERAL AFFIRMATIONS

TO THE EXTENT APPLICABLE, Provider affirms and agrees to the following, without exception:

- 1. Provider represents and warrants that, in accordance with Section 2155.005 of the Texas Government Code, neither Provider nor the firm, corporation, partnership, or institution represented by Provider, or anyone acting for such a firm, corporation, partnership, or institution has (1) violated any provision of the Texas Free Enterprise and Antitrust Act of 1983, Chapter 15 of the Texas Business and Commerce Code, or the federal antitrust laws, or (2) communicated directly or indirectly the contents of this Contract or any solicitation response upon which this Contract is based to any competitor or any other person engaged in the same line of business as Provider.*

Any attempted assignment or delegation in violation of this provision is void and without effect. This provision does not apply to subcontracting.
- 3. If the Contract is for services, Provider shall comply with Section 2155.4441 of the Texas Government Code, requiring the purchase of products and materials produced in the State of Texas in performing service contracts, but for contracts subject to 2 C.F.R. 200, only to the extent such compliance is consistent with 2 C.F.R. 200.319.

- records and make them available to the GLO as evidence of Provider's compliance with the required controls.
- 9. Provider represents and warrants that it has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the Contract.

- 11. Upon request of the GLO, Provider shall provide copies of its most recent business continuity and disaster recovery plans.
- 12. If the Contract is for consulting services governed by Texas Government Code Chapter 2254, Subchapter B, in accordance with Section 2254.033 of the Texas Government Code, relating to consulting services, Provider certifies that it does not employ an individual who has been employed by the GLO or another agency at any time during the two years preceding the Provider's submission of its offer to provide consulting services to the GLO or, in the alternative Provider, in its offer to provide consulting services to the GLO, disclosed the following: (i) the nature of the previous employment with the GLO or other state agency; (ii) the date the employment was terminated; and (iii) the annual rate of compensation for the employment at the time of its termination.*
- 13. If the Contract is not for architecture, engineering, or construction services, then except as otherwise provided by statute, rule, or regulation, Provider must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve any dispute arising under the Contract. NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR, IF APPLICABLE, OF GOVERNMENTAL IMMUNITY BY PROVIDER.
- 14. If the Contract is for architecture, engineering, or construction services, then subject to Texas Government Code Section 2260.002 and Texas Civil Practice and Remedies Code Chapter 114, and except as otherwise provided by statute, rule, or regulation, Provider shall use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve all disputes arising under this Contract. Except as otherwise provided by statute, rule, or regulation, in accordance with the Texas Civil Practice and Remedies Code, Section 114.005, claims encompassed by Texas Government Code, Section 2260.002(3) and Texas Civil Practice and Remedies Code Section 114.002 shall be governed by the dispute resolution process set forth below in subsections (a)-(d). NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR, IF APPLICABLE, OF GOVERNMENTAL IMMUNITY BY PROVIDER.
 - a. Notwithstanding Texas Government Code, Chapter 2260.002(3) and Chapter 114.012 and any other statute or applicable law, if Provider's claim for breach of contract cannot be resolved by the Parties in the ordinary course of business, Provider may make a claim against the GLO for breach of contract and the GLO may assert a counterclaim against Provider as is contemplated by Texas Government Code, Chapter 2260, Subchapter B. In such event, Provider must provide written notice to the GLO of a claim for breach of the Contract not later than the 180th day after the date of the event giving rise to the claim.

^{*} This section does not apply to a contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

- The notice must state with particularity: (1) the nature of the alleged breach; (2) the amount Provider seeks as damages; and (3) the legal theory of recovery.
- b. The chief administrative officer, or if designated in the Contract, another officer of the GLO, shall examine the claim and any counterclaim and negotiate with Provider in an effort to resolve them. The negotiation must begin no later than the 120th day after the date the claim is received, as is contemplated by Texas Government Code, Chapter 2260, Section 2260.052.
- c. If the negotiation under paragraph (b) above results in the resolution of some disputed issues by agreement or in a settlement, the Parties shall reduce the agreement or settlement to writing and each Party shall sign the agreement or settlement. A partial settlement or resolution of a claim does not waive a Party's rights under this Contract as to the parts of the claim that are not resolved.
- d. If a claim is not entirely resolved under paragraph (b) above, on or before the 270th day after the date the claim is filed with the GLO, unless the Parties agree in writing to an extension of time, the Parties may agree to mediate a claim made under this dispute resolution procedure. This dispute resolution procedure is Provider's sole and exclusive process for seeking a remedy for an alleged breach of contract by the GLO if the Parties are unable to resolve their disputes as described in this section.
- e. Nothing in the Contract shall be construed as a waiver of the state's or the GLO's sovereign immunity, or, if applicable, the governmental immunity of Provider. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas or Provider. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas or, if applicable, of Provider under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies or immunities or be considered as a basis for estoppel. The GLO does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract. Provider does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the Provider prior to or subsequent to entering into this Contract.
- f. Except as otherwise provided by statute, rule, or regulation, compliance with the dispute resolution process provided for in Texas Government Code, Chapter 2260, subchapter B and incorporated by reference in subsection (a)-(d) above is a condition precedent to the Provider: (1) filing suit pursuant to Chapter 114 of the Civil Practices and Remedies Code; or (2) initiating a contested case hearing pursuant to Subchapter C of Chapter 2260 of the Texas Government Code.

- 19. Provider represents and warrants that all statements and information prepared and submitted in connection with this Contract are current, complete, true, and accurate. Submitting a false statement or making a material misrepresentation during the performance of this Contract is a material breach of contract and may void the Contract or be grounds for its termination.
- 20. Pursuant to Section 2155.004(a) of the Texas Government Code, Provider certifies that neither Provider nor any person or entity represented by Provider has received compensation from the GLO to participate in the preparation of the specifications or solicitation on which this Contract is based. - 27. Provider has disclosed in writing to the GLO all existing or known potential conflicts of interest relative to the performance of the Contract.
- 28. Sections 2155.006 and 2261.053 of the Texas Government Code prohibit state agencies from accepting a solicitation response or awarding a contract that includes proposed financial participation by a person who, in the past five years, has been convicted of violating a federal law or assessed a penalty in connection with a contract involving relief for Hurricane Rita, Hurricane Katrina, or any other disaster, as defined by Section 418.004 of the Texas Government Code, occurring after September 24, 2005. Under Sections 2155.006 and 2261.053 of the Texas Government Code, Provider certifies that the individual or business entity named in this Contract is not ineligible to receive the specified Contract and acknowledges that this Contract may be terminated and payment withheld if this certification is inaccurate.*
- 29. The person executing this Contract certifies that he/she is duly authorized to execute this Contract on his/her own behalf or on behalf of Provider and legally empowered to contractually bind Provider to the terms and conditions of the Contract and related documents.

- 31. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The

acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Provider shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the Contract and the requirement to cooperate is included in any subcontract it awards. The GLO may unilaterally amend the Contract to comply with any rules and procedures of the state auditor in the implementation and enforcement of Section 2262.154 of the Texas Government Code.

- 32. Provider certifies that neither it nor its principals are debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from participation in the Contract by any state or federal agency.
- 33. If the Contract is for the purchase or lease of covered television equipment, as defined by Section 361.971(3) of the Texas Health and Safety Code, Provider certifies its compliance with Subchapter Z, Chapter 361 of the Texas Health and Safety Code, related to the Television Equipment Recycling Program.
- 34. Pursuant to Section 572.069 of the Texas Government Code, Provider certifies it has not employed and will not employ a former state officer or employee who participated in a procurement or contract negotiations for the GLO involving Provider within two (2) years after the date that the contract is signed or the procurement is terminated or withdrawn. This certification only applies to former state officers or employees whose state service or employment ceased on or after September 1, 2015.
- 35. The GLO shall post this Contract to the GLO's website. Provider understands that the GLO will comply with the Texas Public Information Act (Texas Government Code Chapter 552, the "PIA"), as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas (the "Attorney General"). Information, documentation, and other material in connection with this Contract may be subject to public disclosure pursuant to the PIA. In accordance with Section 2252.907 of the Texas Government Code, Provider is required to make any information created or exchanged with the GLO or the State of Texas pursuant to the Contract, and not otherwise excepted from disclosure under the PIA, available to the GLO in portable document file (".pdf") format or any other format agreed upon between the Parties that is accessible by the public at no additional charge to the GLO or the State of Texas. By failing to mark any information that Provider believes to be excepted from disclosure as "confidential" or a "trade secret," Provider waives any and all claims it may make against the GLO for releasing such information without prior notice to Provider. The Attorney General will ultimately determine whether any information may be withheld from release under the PIA. Provider shall notify the GLO's Office of General Counsel within twenty-four (24) hours of receipt of any third-party written requests for information and forward a copy of said written requests to PIALegal@glo.texas.gov. If a request for information was not written, Provider shall forward the third party's contact information to the above-designated e-mail address.

- 36. The GLO does not tolerate any type of fraud. GLO policy promotes consistent, legal, and ethical organizational behavior by assigning responsibilities and providing guidelines to enforce controls. Any violations of law, agency policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken. Provider must report any possible fraud, waste, or abuse that occurs in connection with the Contract to the GLO in the manner prescribed by the GLO's website, http://glo.texas.gov.
- 37. If Provider, in its performance of the Contract, has access to a state computer system or database, Provider must complete a cybersecurity training program certified under Texas Government Code Section 2054.519, as selected by the GLO. Provider must complete the cybersecurity training program during the initial term of the Contract and during any renewal period. Provider must verify in writing to the GLO its completion of the cybersecurity training program.
- 38. Under Section 2155.0061, Texas Government Code, Provider certifies that the entity named in this Contract is not ineligible to receive the specified Contract and acknowledges that this Contract may be terminated and payment withheld if this certification is inaccurate.*
- 39. Provider certifies that it does not require its customers to provide any documentation certifying the customer's COVID-19 vaccination or post-transmission recovery on entry to, to gain access to, or to receive service from Provider's business. Provider acknowledges that such a vaccine or recovery requirement would make Provider ineligible for a state-funded contract.
- 40. Pursuant to Government Code Section 2275.0102, Provider certifies that neither it nor its parent company, nor any affiliate of Provider or its parent company, is: (1) majority owned or controlled by citizens or governmental entities of China, Iran, North Korea, Russia, or any other country designated by the Governor under Government Code Section 2275.0103, or (2) headquartered in any of those countries.*
- 41. If Provider is required to make a verification pursuant to Section 2276.002 of the Texas Government Code, Provider verifies that Provider does not boycott energy companies and will not boycott energy companies during the term of the Contract. If Provider does not make that verification, Provider must notify the GLO and state why the verification is not required.*
- 42. If Provider is required to make a verification pursuant to Section 2274.002 of the Texas Government Code, Provider verifies that it (1) does not have a practice, policy, guidance, or directive that discriminates against a "firearm entity" or "firearm trade association" as those terms are defined in Texas Government Code section 2274.001 and (2) will not discriminate during the term of the Contract against a firearm entity or firearm trade association. If Provider does not make that verification, Provider must notify the GLO and state why the verification is not required.*
- 43. If Provider is a "professional sports team" as defined by Texas Occupations Code Section 2004.002, Provider will play the United States national anthem at the beginning of each team sporting event held at Provider's home venue or other venue controlled by Provider for the event. Failure to comply with this obligation constitutes a default of this Contract, and immediately subjects Provider to the penalties for default, such as repayment of money received or ineligibility for additional money. In addition, Provider may be debarred from

- contracting with the State. The GLO or the Attorney General may strictly enforce this provision.*
- 44. To the extent Section 552.371 of the Texas Government Code applies to Provider and the Contract, in accordance with Section 552.372 of the Texas Government Code, Provider must (a) preserve all contracting information related to the Contract in accordance with the records retention requirements applicable to the GLO for the duration of the Contract, (b) no later than the tenth business day after the date of the GLO's request, provide to the GLO any contracting information related to the Contract that is in Provider's custody or possession, and (c) on termination or expiration of the Contract, either (i) provide to the GLO at no cost all contracting information related to the Contract that is in Provider's custody or possession or (ii) preserve the contracting information related to the Contract in accordance with the records retention requirements applicable to the GLO. Except as provided by Section 552.374(c) of the Texas Government Code, the requirements of Subchapter J, Chapter 552, Government Code, may apply to the Contract and Provider agrees that the Contract may be terminated if Provider knowingly or intentionally fails to comply with a requirement of that subchapter.*
- 45. If the Contract is for consulting services governed by Chapter 2254 of the Texas Government Code, Provider, upon completion of the Contract, must give the GLO a compilation, in a digital medium agreed to by the Parties, of all documents, films, recordings, or reports Provider compiled in connection with its performance under the Contract.*
- 46. If subject to 2 C.F.R. 200.216, Provider shall not obligate or expend funding provided under this Contract to: (a) procure or obtain; (b) extend or renew a contract to procure or obtain; or (c) enter into a contract to procure or obtain covered telecommunications equipment or services, as described in Public Law 115-232, Section 889, including systems that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.
- 47. To the extent Texas Government Code Chapter 2252, Subchapter G applies to the Contract, any iron or steel product Provider uses in its performance of the Contract that is produced through a manufacturing process, as defined in Section 2252.201(2) of the Texas Government Code, must be produced in the United States.
- 48. If subject to 2 C.F.R. 200.217, Provider shall not discharge, demote, or otherwise discriminate against an employee as a reprisal for lawfully disclosing information that the employee reasonably believes is evidence of gross mismanagement, waste, abuse of authority, a danger to public health or safety, or a violation of law related to a Federal contract or grant. Provider shall inform its employees in writing of their whistleblower rights and protections under 41 U.S.C. 4712.
