

Six Points Artistic Crosswalk

City Council Presentation
December 7, 2021

Background

- Roadway project at Six Points area is nearing completion
- To celebrate history of area, installation of artistic crosswalks are planned for the intersection
- Community outreach conducted via survey to help select artwork for crosswalk

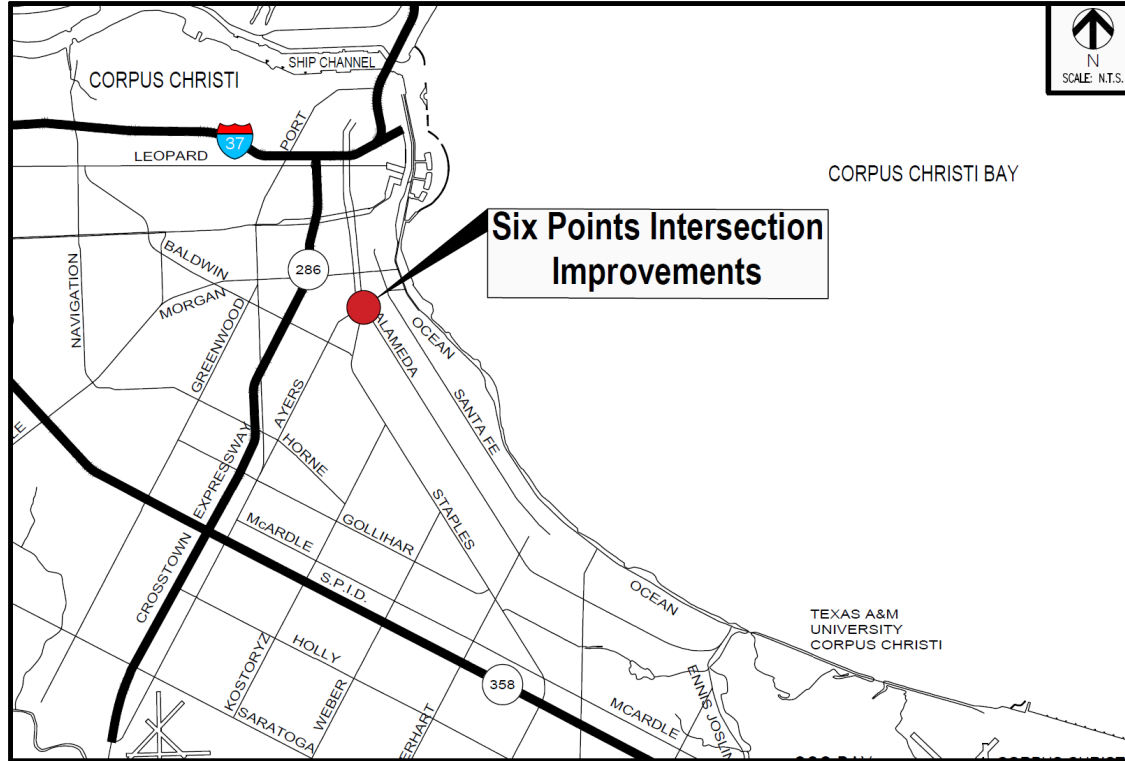

Community Art Program Guidelines

- Regulates installation of decorative elements by permit, license or agreement in City rights-of-way (Includes crosswalks, streets, traffic signal cabinets & bridge columns)
 - A community crosswalk or street mural must be upon an existing street in “good” condition with a PCI of 85 or higher
 - Artwork installed shall be for aesthetic purposes only and is not intended to serve as a forum for political speech or commercialization
 - Hand painting is prohibited, crosswalks require thermoplastic installation
 - Applicants must perform community outreach and acquire letters of support for proposed art projects
-

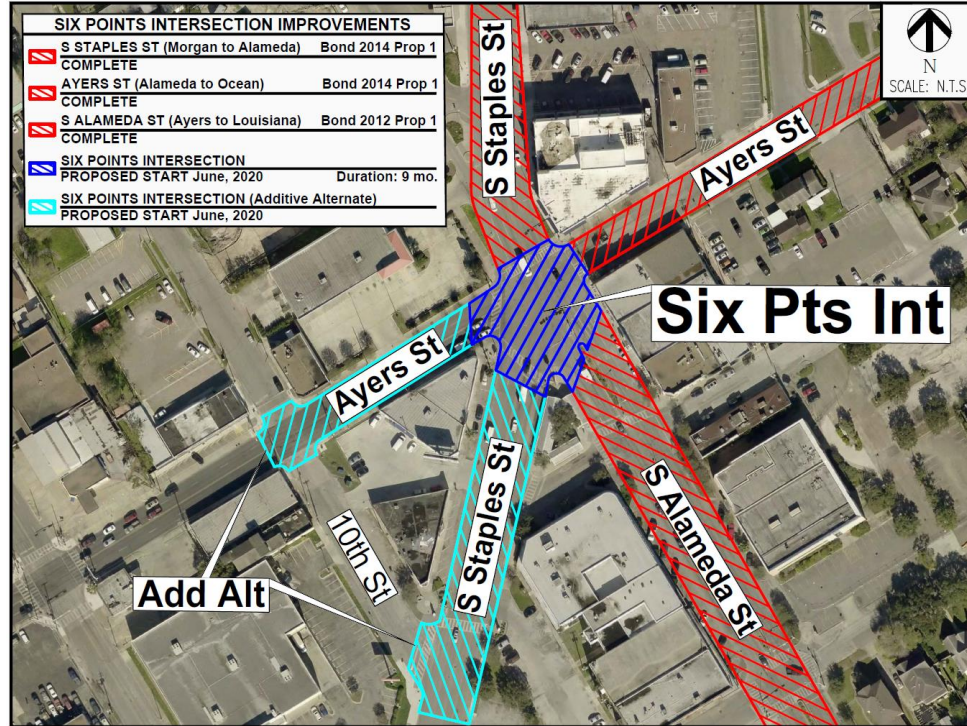

Project Location

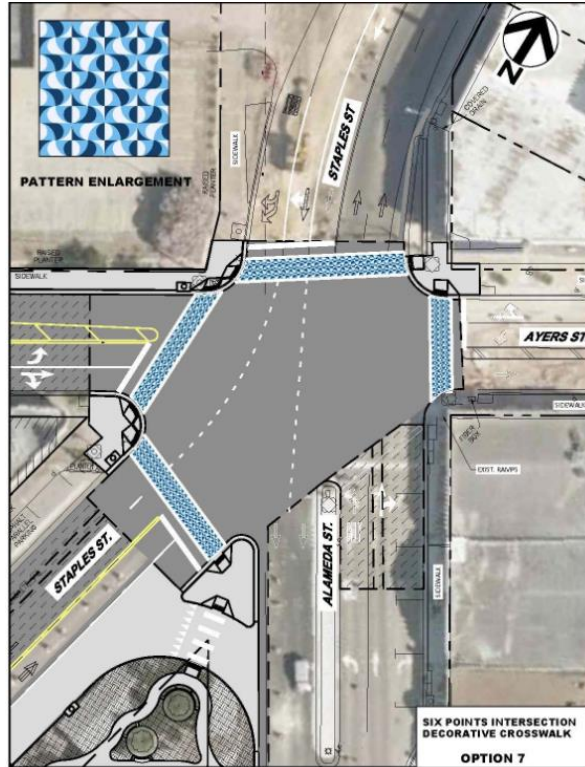

Project Vicinity

Artistic Crosswalk Selection

- Art options were provided through an online survey
- The staff recommended design was chosen through the feedback from the survey.

Artistic vs Standard Crosswalks

- Lifespan
 - Standard Crosswalk: 5 to 7 years
 - Artistic Crosswalk: 5 to 7 years
- Maintenance
 - Standard Crosswalk: Crosswalk is replaced if damaged before end of life
 - Artistic Crosswalk: Hosed and scrubbed as needed
- Cost Comparison
 - Standard Crosswalk: \$25,000 - \$30,000
 - Artistic Crosswalk: \$80,000 - \$100,000

NOTE: Artistic crosswalk is anticipated to be installed in Spring 2021
