Verification

City Code Requirement - As a board, commission, or committee member, you will be asked to adhere to: City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served. Also, City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information - I understand that if any member of the public makes a request for information included in this application for appointment it must be disclosed under the Public Information Act. I also understand that it may not be legally possible to maintain the confidentiality of such information, and I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Public Information Act.

I Agree

Oath - I swear that all of the statements included in my application and attached documents, if any, are true and correct.

I Agree

Board-specific questions (if applicable)

Question applies to WATER RESOURCES ADVISORY COMMITTEE.

Per city ordinance, the committee must include members representing certain categories. Do you qualify for any of the following categories? *

- Residential Customer and Home Owner of City's Water System
- Military Facility Representative

Work Experience

October 2012-Present: Sikorsky Aircraft Operations Manager: Responsible for the coordination of the Materials, Technical support and Engineering teams for Sikorsky Aircraft's Technical, Engineering, Logistics Support and Services (TELSS) contract with Army Material Command for the Corpus Christi Army Depot(CCAD). Assists the CCAD Program Manager in managing all business activities associated with the Technical, Engineering, and Logistic goals in accordance with established metrics for the H-60 components and airframes contracted for the partnership. I assist in the management of process improvement, production material and material support services, information technology, and warehousing activities for the program. I work closely with the Program Manager and the Material Planning and Control Manager on all aspects of the TELSS contract, from contract award to the end of the contract period of performance, encompassing the coordination and/or support of the Program Operating Plan, Program Implementation Plan, and Program Execution Plan.

Other responsibilities include:

- Management of the day-to-day operations for the Sikorsky on-site teams.
- Coordination and monitoring the work of the departments involved in production, warehousing, and distribution.
- Participate in all CCAD Operations / Production meetings.
- Actively manage all (Sikorsky on site) Facility, Manpower, Production Systems, Production Scheduling, and Production Performance initiatives as they pertain to the execution of this contract and its schedules.
- Actively manage daily Sikorsky production operations meeting to identify material shortages and aircraft status
- Contribute to short and long-term organizational planning and strategy as a member of the program management team
- Manage and increase the effectiveness and efficiency of support services through improvements to each function as well as coordination between support and business functions

February 2010-October 2012: Derco Aerospace Inc. Director of Logistics Programs: Represents and advocates for the organization, bringing an understanding to and developing, articulating and facilitating an agenda for the promotion and marketing of the corporation. Responsible for the management and execution of multiple logistics programs. Acts as liaison between cross-contract entities, customer and corporate interests. Led Derco Logistics team to AS 9120 Certification, VPP Star Certification and ACE Bronze compliance. Oversaw the material forecasting and supply chain management for T34/44 aircraft and UH-60 Blackhawk components. Ensured supplier compliance to the United Technologies Corporation Quality Standard. I was responsible for a 25% increase in revenue for the CCAD program.

November 2003-February 2010. Derco Aerospace Inc. Project Manager: Through various projects and roles, coordinated the efforts of the warehouse team to ensure timely and efficient receipt, storage, picking and delivery of Blackhawk Helicopter parts in support of the recapitalization of Sikorsky's Blackhawk Helicopter and components at the Corpus Christi Army Depot. Responsible for the forecasting, purchasing and overall supply chain management of the materials required for the overhaul of 23 unique Blackhawk Components managed by Derco Aerospace. Critical shortages were reduced from 30% to less than 0.1%.

May 1983-October 2003. United States Navy. Aviation Repairables Manager: Directly responsible for maintaining 100% inventory accuracy and stock levels at various duty stations in the Continental United States, Overseas and shipboard locations.

Skills:

- Continuous Improvement: Qualified Associate of United Technologies Corporation ACE operating system.
- Leadership: Lead several diverse teams and departments with successful results.
- Project Manager: Project Manager for the successful implementation of SAP in the warehouse
- Software Integration Team: Key player in the implementation of ERP upgrades
- Database Administrator: Maintained data integrity of specialized Naval shipboard supply systems database. Performed weekly backups and reviewed output products for accuracy.

Education/ Training

- Project Management Institute (PMI). –Certified Project Management Professional (PMP).

Verification

City Code Requirement - As a board, commission, or committee member, you will be asked to adhere to: City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served. Also, City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

I Agree

Consent for Release of Information - I understand that if any member of the public makes a request for information included in this application for appointment it must be disclosed under the Public Information Act. I also understand that it may not be legally possible to maintain the confidentiality of such information, and I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Public Information Act.

I Agree

Oath - I swear that all of the statements included in my application and attached documents, if any, are true and correct.

I Agree

Board-specific questions (if applicable)

Question applies to WATER RESOURCES ADVISORY COMMITTEE.

Per city ordinance, the committee must include members representing certain categories. Do you qualify for any of the following categories? *

None of the above

Board-specific questions (if applicable)

Question applies to WATER RESOURCES ADVISORY COMMITTEE.

Per city ordinance, the committee must include members representing certain categories. Do you qualify for any of the following categories? *

Member or Employee of an Organization that Seeks to Protect or Influence the Nueces River Watershed or its Ecosystems

KATERYNA M. WOWK, PH.D.

Harte Research Institute for Gulf of Mexico Studies
Texas A&M University – Corpus Christi

EXECUTIVE GOAL

Advance resilience and sustainable use of oceans and coasts by developing and implementing strategies with communities, industry and government that provide access to improved physical, biological and socioeconomic information and tools at scales needed for decision-making.

ACADEMIC QUALIFICATIONS

Ph.D., Marine Policy, College of Earth, Ocean and Environment, University of Delaware, August 2011
Dissertation: *Examining Effectiveness in Regional Ocean Governance Regimes: A case study of the 1992 Convention for the Protection of the North-East Atlantic*
Director: Dr. Biliانا Cicin-Sain
Readers: Dr. Gerard Mangone, Dr. Jeremy Firestone, Dr. Alice Ba and Dr. Matthew Weinert

M.P.A., Environmental Science and Policy, School of International and Public Affairs, Columbia University, May 2005
Qualifying Project: *Alternative Waste Disposal Technologies for New York City*
Director: Dr. Steven Cohen

B.S., Biology and Ecology (minor: Political Science), Central Connecticut State University, May 2004

PROFESSIONAL AND RESEARCH EXPERIENCE

Harte Research Institute for Gulf of Mexico Studies (HRI) November 2015-Present
Texas A&M University – Corpus Christi Corpus Christi, TX
Senior Associate for Strategic Planning and Policy

Guide strategic planning for the institute, with emphasis on more effectively linking science and research to on-the-ground decision-making and policy outcomes, and lead efforts to devise a framework for evaluating HRI's effectiveness in achieving its objectives and broader goals. Also charged with establishing a network of additional partners from various sectors that may benefit from HRI's science, conducting collaborative research on high priority ocean and coastal issues, contributing to development of the Texas One Gulf Center of Excellence, and teaching graduate courses on ocean and coastal policy.

U.S. National Oceanic and Atmospheric Administration (NOAA) October 2014-October 2015
Office of the Chief Economist and Social Science Team Washington, D.C.
Senior Social Scientist (Consultant)

Drove successful completion of NOAA's first Vision and Strategy for Social Science, provided U.S. contributions to The Economics of Ecosystems and Biodiversity: Oceans and Coasts, and co-led work to engage the private sector in discussions on natural capital, informing development of a decision-support framework hosted online by the Department of Commerce. With the White House Office of Science and Technology Policy, led writing and development of a research agenda to focus Administration efforts on advancing the state of knowledge on Coastal Green Infrastructure and Ecosystem Services.

NOAA Office of the Assistant Secretary for Conservation August 2013–October 2014
Senior Policy Lead (Contractor) Washington, D.C.

On behalf of the Assistant Secretary of Commerce for Conservation and Management at NOAA, led office portfolios on National Ocean Policy and marine planning, coastal hazards and resilience, and tourism and recreation. Also served as NOAA's Policy Lead on the Hurricane Sandy Rebuilding Task Force, and acted as Co-Chair of the National Drought Resilience Partnership. With NOAA's Chief Economist, led a strategy to advance the valuation of green infrastructure to enhance coastal resilience.

NOAA's National Ocean Service (NOS)
NOS Program Coordination Officer (Contractor)

August 2012–August 2013
Washington, D.C.

Provided senior NOS staff support to the Office of the NOAA Administrator and resolved programmatic, scientific and management issues. Conducted comprehensive analyses relating to proposed initiatives, conducted research and feasibility studies, and developed general plans to define objectives and coordinate work. For example, led research, analysis and drafting of NOAA's organizational capacity for end-to-end disaster preparedness. Also led the office to reinstall leadership development opportunities.

Stakeholder Forum for a Sustainable Future
Consultant

March 2011–August 2012
Washington, D.C.

Provided technical expertise, content and advocacy related to the ocean and coastal-related targets of the 2002 World Summit on Sustainable Development and 2000 Millennium Development Goals. Researched and drafted expert content for workshop, "Sustainable Use of Oceans in the Context of the Green Economy and Poverty Eradication," November 2011, Principality of Monaco, and led participants to promote best practices to advance the "blue economy," resulting in a focused set of political recommendations (Monaco Message) to the UN Conference on Sustainable Development (Rio+20).

Earth Resources Technology (ERT), Inc.
Deputy Director, NOAA Programs

September 2010–July 2012
Silver Spring, MD

Managed ERT's programs with NOAA/NOS and the National Marine Fisheries Service (NMFS), involving diverse programs, clients and oversight of ~180 ERT contractors/consultants. Renewed major contract of \$2.5M that continued scientific and technical support for ~25 contractors, managed the ERT Intern Program, involving the management and professional development of over 20 interns (on a rotating basis) placed in NOAA, and led the ERT Science and Technology Collaboration Committee.

NOAA/National Marine Protected Areas (MPAs) Center
Policy Specialist (Contractor)

February 2008–September 2010
Silver Spring, MD

Focused on developing and implementing the U.S. National System of MPAs, resulting in an initial suite of 225 sites. Also prepared science and policy reports for the Scientific and Technical Subcommittee of the MPA Federal Advisory Committee, resulting in recommendations to the Departments of Commerce and Interior on climate change impacts and the role of MPAs in enhancing ecosystem resilience.

Global Forum on Oceans, Coasts and Islands (Global Ocean Forum)
Consultant

August 2005–December 2011
Newark, DE

Served as technical expert and lead on various global ocean goals, including as Coordinator of, and contributor to, twelve Working Groups of the Global Ocean Forum. For the 5th Global Ocean Conference, May 2010, Paris, led themes on Oceans, Climate and Security, and on Improving Governance, with a focus on improving fisheries management. Also managed the Global Ocean Forum Secretariat and communications (Twitter, Facebook, internal video production and external media).

Gerard J. Mangone Center for Marine Policy
Research Associate and Teaching Assistant

August 2005–December 2007
Newark, DE

Wrote funding proposals and conducted research, e.g., comparative analysis of National Ocean Policies in sixteen nations and four regions in a report for the Nippon Foundation Research Task Force on National Ocean Policies. Also led class preparations, mentoring, webpage design and maintenance, and lectures.

PRESENTATIONS

- Keynote Presentation, “Future of our coasts: Potential for natural and hybrid infrastructure to enhance ecosystem and community resilience in the U.S.” 19th Annual Meeting of the Ecology and Civil Engineering Society (ECES), Koriyama City, Japan. September 2015.
- Plenary Presenter, “Enhancing Disaster Resilience by Valuing Nature's Defenses.” International Symposium on Disaster and Biodiversity, Sendai, Japan. September 2014.
- Panelist, “Ensuring Survival: Oceans, Climate and Security.” 5th Global Oceans Conference, UNESCO, Paris, France. May 2010.
- Presenter, “Global Ocean Changes and the International Community’s Response.” 3rd World Ocean Forum, Busan, Republic of Korea. November 2009.
- Panelist. “Encouraging Adaptive Management Institutions at Varying Scales (e.g., Large Marine Ecosystem, Regional Seas, National and Local).” World Ocean Conference Global Ocean Policy Day Session, Manado, Indonesia. May 2009.
- Presenter, “The Failings of the International Whaling Commission: A Result of Institutional Design?” 50th Annual Conference of the International Studies Association. New York, New York, USA. February 2009.
- Presenter, “The Patagonian Climate and Large Marine Ecosystem.” Paper presented as part of a five-week study abroad program, Buenos Aires, Argentina. January 2007.

AWARDS

2012 ERT Peer Award, presented for mentoring interns and exceptional service to NOAA
2010 ERT Team Award, presented to the team for outstanding dedication to the MPA Center
2009 National Scholars Honor Society, presented by the National Society President
2007 Gerard J. Mangone Center for Marine Policy Award

PROFESSIONAL AFFILIATIONS
