If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Why are you interested in serving on a City board, commission or committee?

I want to serve on the Human Relations Committee because I am passionate about equality and justice at every level of government, starting with the local issues. When I see things that are unjust or unfair to any particular group in my daily life, I feel the need to speak out. Serving on this committee would allow me to fight prejudice in a more official way and create real change.
