**RE: JCL Development Subdivision – Corpus Christi, TX**  
**Exemption to Wastewater Acreage Fee**  
**RME No. 157-0513**

Mr. Kanmore:

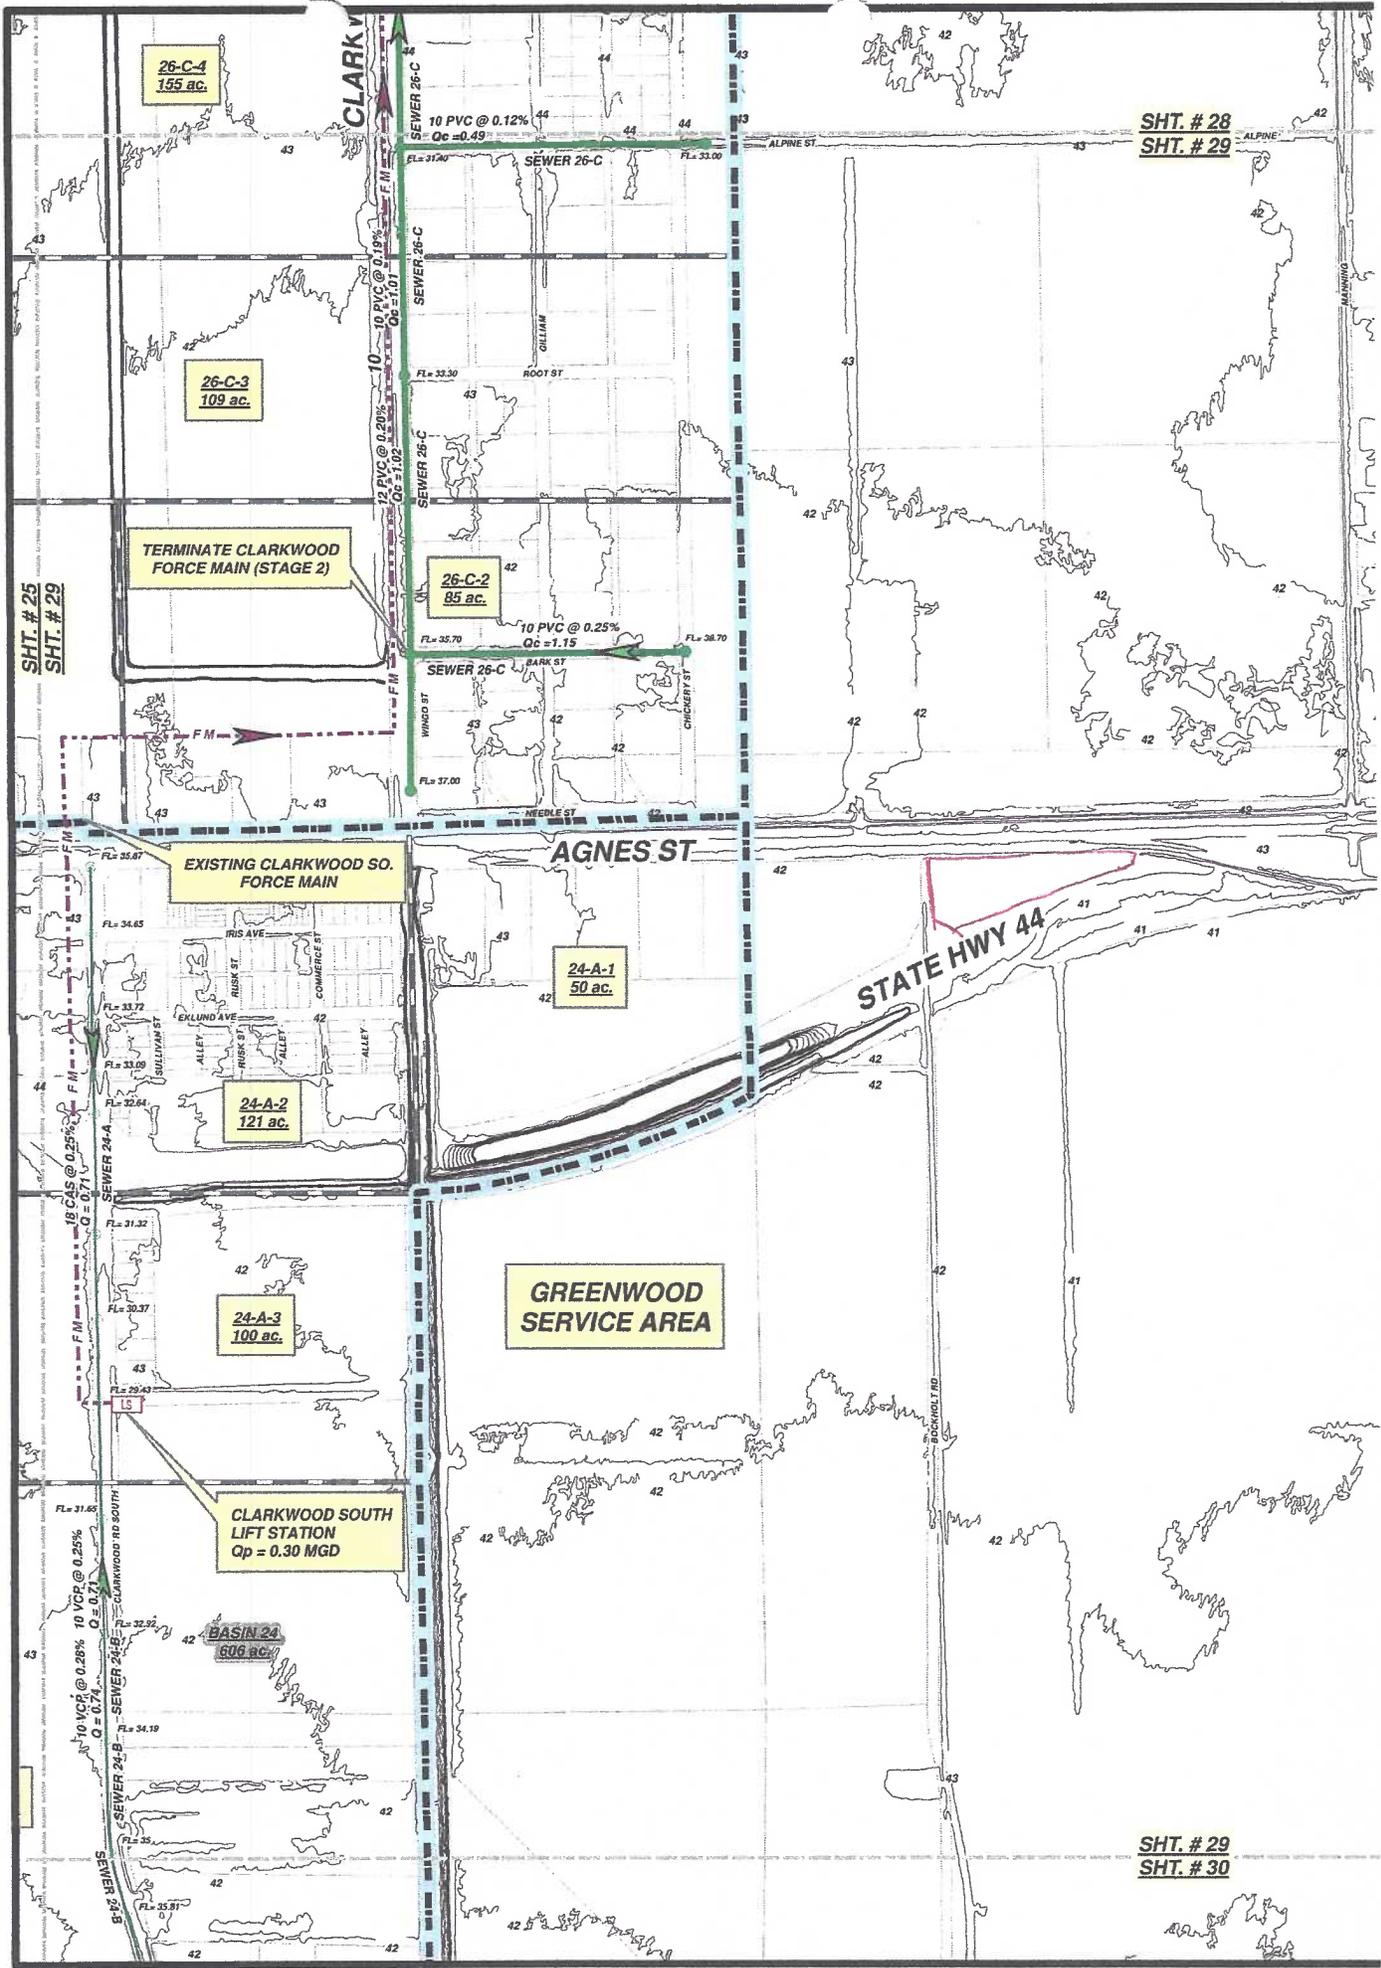

Per our pre-application meeting (11/14/14) the above development (i.e. Preliminary Plat for the JCL Subdivision, Phase One & Two) is requesting an Exemption to the Wastewater Acreage Fee. The attached Wastewater Collection System Model exhibit was provided during this meeting and illustrates that the proposed property is beyond the current wastewater sewerage capability for the City of Corpus Christi. Therefore development this property will require to provide on-site sewerage septic facilities permitted through the County Health Department.

Please do not hesitate to call myself (979-776-8245 ext. 110) or Rabon Metcalf (979-764-0704) should you have any questions.

Sincerely,

A handwritten signature in blue ink that reads 'Craig Lewis'.
