Describe Feedback: Good morning, thank you for honoring Social Workers and Social Worker Month with a proclamation today. I am grateful that there is a social work intern at La Retama Library this semester. Unfortunately, just as the community gets used to having this service, it goes away since it is dependent on volunteers. Please consider adding full time paid social workers to the Corpus Christi Public Library system, especially at La Retama. Many public libraries have added these employees to their public libraries with great success. They help the patrons and staff. Sincerely, Julie Rogers, District 1, 78404
