

Public Works Department

Flood Hazard Prevention Code Updates

Public Works – Storm Water

City Council Presentation

March 19, 2024

What is NFIP

- To meet the need for this vital flood coverage, the Federal Emergency Management Agency (FEMA) administers the National Flood Insurance Program (NFIP)
 - The NFIP offers reasonably priced flood insurance to all properties in communities that comply with minimum standards for floodplain management
 - The NFIP's Community Rating System (CRS) credits community efforts beyond those minimum standards by reducing flood insurance premiums for property owners

Code Updates

1. Section 14-552.d.3 Manufactured Homes
 - Replaced **either** with *more stringent*
2. Minor Changes to the Non-Structural Fill Section
 - Replaced **shall** with **should**
 - Removed **Parks** from Policy

Recommendation

Staff recommends approval of these updates as presented.
