

IDIQ Lifecycle Curb and Gutter Program

Council Presentation
June 18, 2024

Project Scope

This motion approves a construction contract to repair the damaged curb and gutter, associated concrete sidewalk and driveway apron projects

The work will be issued by the City of Corpus Christi's Engineering Services Department in multiple individual work orders called "Delivery Orders" that provide specific scope and requirements in accordance with the plans, specifications, and contract documents.

Project List

Below are the list of projects that are planned to be constructed with this contract:

DISTRICT	STREET	FROM	TO	CLASSIFICATION
