

SH 286 Waterline Replacement

Council Presentation
April 26, 2022

Project Location

Project Scope

A brief summary of proposed improvements is as follows:

- Waterline replacement requires the relocation of the existing water line between FM43 (Weber Rd) and FM2444 (Staples St.) to meet the construction needs of TxDOT's SH 286 expansion.
- This will replace 4.33 miles of 2.5-inch and 3-inch water line with a new 16-inch transmission main. The new line will adhere to the adopted Master Plan for this area.
