PROFESSIONAL EXPERIENCE

As the Inventory Control Manager for Statewide Beverage, an 'IT' Business Solution Consultant for Microsoft, and an Advertising Consultant for both Clear Channel Radio and TransWestern Publishing, I faced and have met the challenge of gaining the trust of my prospects in order to establish a rapport that evolves into a prosperous and long-term business partnership. I have been fortunate to experience fruitful success across many verticals and will continue to seek fresh, innovative ideas that will continue the rewarding path I am on. While the Materials Coordinator on BP's offshore oil platform, "Atlantis", I was responsible for supervising day-to-day activities relating to the inventory, project logistics, negotiating the purchase of equipment and offshore Fire Team responsibilities. Education, Professional and/or Community Activity (Present)

I hold a Bachelor's degree in Applied Arts & Sciences with University of the Incarnate Word. My career with Coastal Bend Center for Independent Living (CBCIL) began in 2012 as a Relocation Specialist. In this role, I assisted Nursing Home Residents transition back into the community with a Medicaid Waiver program called Star Plus. After only one year with CBCIL, I assisted with development writing and grant submission to Centers for Medicare and Medicaid Services (CMS) to become a sole grant recipient for the Marketplace Health Insurance Navigator Program. Upon receiving this grant with CMS, I became the Marketplace Navigator Project Manager and Grant Compliance Coordinator. My accomplishments include: providing extensive support to collaborating Navigator entities, reaching over 700,000,000 consumers in my respective catchment area, and in 2015 Corpus Christi was rated #2 in the country and #1 in Texas with the strongest growth rates of open enrollment within the Marketplace by covering our community with health insurance. I currently manager our Independent Living and Transportation Programs; which focuses on our CORE services of community integration for all. I serve on the Advisory Board for Corpus Christi Science and History Museum and Vinson Morris Children's Center. I am a Leadership Corpus Christi: Class 46 alumni and was named an honoree for Corpus Christi Under 40 in 2018.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

I would like to be on the Committee for People with Disabilities.

Mrs. Christina C Buttler

Why are you interested in serving on a City board, commission or committee?

I love Corpus Christi and want to make a difference for my community. I have a 7 year old son and want to grow our community for him and all of our community members by offering my skills and talent to serving on this board.

Managed warehouse, supervision of warehouse personnel, responsible for one-half million-dollar inventory. The inventory consisted of frozen food, fresh produces, canned goods and dry food, which was for the ocean going ships and drilling contractors, also, commodities for the refineries and industrial customers. My prime duties were to assure everything was rotated properly and all freezers were maintained and proper temperatures were maintained. Records on all equipment were up to date and all personnel processed orders accurately.

1984-1985 **Senior Purchasing Agent, GHR Energy Corp.**
Laredo, Texas
Purchased all commodities of material connected in a gas processing plant. Material consisted of pipe, valves, and fittings.
Major expenditures like pumps, transportation, and process motors was also my responsibility as was assisting the warehouse operation.

1970-1984 Parts and Purchasing Manager, Energy Industries (B.D.Holt)

Started as truck driver and worked up to manager in charge of purchasing all commodities required to build a skid mounted gas compressor from the ground. I was also responsible for warehouse, which housed these parts and the ten people necessary to fill the needs. We also exported Caterpillar parts, which went overseas and had to prepare everything from the waterproof box to the necessary paperwork to export parts.

My passion is for serving our community and most importantly, as an advocate for inclusion for all individuals, including those with disabilities. I not only have a professional understanding, but also a personal understanding of the barriers and obstacles people with disabilities can encounter. Currently, my professional and community activities are limited, as I am aware of the ongoing COVID issue in our community. In an effort to help keep my parents and others in our community healthy and safe, I refrain from most events. However, I maintain high hopes that this will change in the near future!

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Committee for Persons With Disabilities.

Why are you interested in serving on a City board, commission or committee?

I want to make our city a better place for everyone. As a long-time resident, I want the place I live to be wonderful! I want the city to live up to its' name and I believe that I can help make our city even better. It takes people from our community, those who live everyday lives, who see what's going on, to inspire and provide hope. Our elected officials need input from our community members to help them make the big decisions that can impact our city in positive ways. As far as why I chose this particular board, I have a direct connection with this group of individuals. I worked with (and continue to serve) intellectually disabled members of the city. The disabled in our community (and our world) are often neglected, hidden away or forgotten. Some in society are afraid of people who are different than themselves. Additionally, this group of people have limited ability to press for their own rights. An advocate is needed. I am a voice for the voiceless. All of the voiceless in our community and world.

PURPOSE

- **I want to bring my passion for improving our community to the Corpus Christi Committee For Persons With Disabilities. I have experience working with disabled individuals and I would like to share my insight with the city regarding our need to include disabled individuals in our community in meaningful ways. Due to my involvement and interest with this issue, I feel I would bring knowledge and insight to the committee.**

BACKGROUND

- I have been a Corpus Christi resident since I returned home in 2001. Prior to that I resided in Corpus Christi and attended public school here from 1978-1984, when I graduated from Mary Carroll High School. After that, I attended college at Southwest Texas State University (Texas State University), where I graduated in 1989 with a Bachelor of Business Education, majoring in Computer Information Systems. Over the years, I did many different jobs, including computer programming, CNA work, PT Aide work, payroll & retail. Upon returning to the Coastal Bend, I began working for Christus Spohn as a Physical Therapy Aide until I gave birth to my daughter in 2002. I chose to be a stay-at-home Mom until the time my daughter began school, at which time I pursued a career in education. I obtained a teaching certificate and certification in Special Education, Health, PE, Business and General Ed 4-8. I began working with CCISD as a Paraprofessional helping Special Education students with their classwork, which I did for three years. Then I became an Adaptive Ed teacher for 4 years before leaving the district to provide support for my daughter in her last two years of high school. I have always been led by my passions and life has taken me in many directions due to my desire to follow those passions.

SUCSESSES

- While working at CCISD, I connected with many special needs students. Many of these students still contact me and share their dreams and questions about life. I feel that I am a mentor to these individuals and that I have an insight into their world. Many want to be productive members of society, but do not know how to do so. Many need an advocate for different circumstances that have occurred in their lives. Many just need someone to talk to. Due to my connection with this group of people, my daughter has become friends with several people. We frequently include her friends in our lives, attending events and spending time together.
- Employed with CCISD from October, 2010 to 2017.

- Received Teacher of the Year award for Gibson Elementary, school year 2016-2017.
- Was a top-3 finalist for CCISD District Teacher of the Year, school year 2016-2017. Recognized at the Teacher of the Year Banquet.
- First Year Teacher Mentor at Gibson Elementary, school year 2016-2017.
- Running Club Sponsor at Gibson Elementary for 2nd and 3rd grade, school year 2016-2017.
- Member of Robert Wilson PTA 2007-2014, member of Metro School of Design PTA 2014-2016, member of WB Ray PTA 2016-2020, member of Roy Miller PTA 2010-2013, member of Gibson PTA 2013-2018.

- Contribute to the local economy by purchasing my vehicles locally in Corpus Christi.

MISSION

- I have a vision. And it has developed into my mission in life. My mission is to better the world, starting with our local, Corpus Christi community, by enlightening children and adults and showing them the many, worthwhile possibilities available to them in life, as well as how to live a life of tenderness & tolerance. I lead by example, demonstrating compassion to all living beings and by listening to our children and protecting our voiceless members of society. I want all living creatures to know that someone truly cares about them and their future. Once our children & society begin to understand that, they will begin to care about themselves, their own future & their responsibilities as productive members of society and that is what will make this community and this world a better place for everyone.
