Please distribute this email to all city council members and the mayor:

I am in total opposition to the suggested conversion of Al Kruse Tennis Center to primarily a pickle ball facility and leaving only 3 tennis courts for league play. This is not fair to the tennis community which has been supporting Al Kruse a lot longer than pickle ball has. To be fair, the city should communicate this situation via email through the CCTA so that all tennis members are aware of this proposal and can voice their opinions. Thank you.
