Education, Professional and/or Community Activity (Present)

I graduated from the University of Oklahoma with a Bachelor's degree in Anthropology in 2011. While I was in college, I volunteered at the on-campus museum and the Oklahoma Archaeological Survey building. I worked in the Education Dept at the CC Museum of Science and History from 2015-2018. I currently work at the USS Lexington Museum on the Bay as the Education Coordinator. I was an active participant and founding member of the Frontera history festival, creating content and leading tours downtown. I have volunteered my time at other local festivals as well. While at the CC Museum of Science and History, I received my National Association of Interpretation certification and led a project with my co-worker to repatriate human remains.
