Greg:

I hereby request a six-month plat approval extension by the planning commission for the subject plat. This is requested in order to give time for a master waste water plan amendment associated with this plat.

I will deliver a check for \$38.00 for filing fee today.

Nixon,

The above-referenced plat was approved by Planning Commission on 9/19/2018 and will **expire on March 19, 2019.**

Please send me a letter requesting extension of the plat and the reasons for the need for the extension.

Thank you very much.
