Public Comment & Input Form

Date of Meeting	08-22-2023
Name	John Bishop
Address	Street Address: 302 Cape Cod Drive City: Corpus Christi State / Province: TX Postal / Zip Code: 78412
Topic	Kentner/Cape Cod Street Reconstruction and damage
Agenda Item Number	no specific item
Describe Feedback:	I want to discuss the repair on Kentner Street from Cape Cod to Canterbury under contract with Bay Construction. For over three months, Bay parked 18-wheeler trucks laden with heavy construction/paving materials in front of my house at 302 Cape Cod, between my driveway and the walkway to my porch. The excessive load caused the pavement to become compressed and the street curb to flip outwards towards the sidewalk, as shown in the attached photo. Beginning 6 weeks ago I brought this to the attention of Bay employees, and then a month ago to the City. I ultimately spoke with the Project Manager (Mai-Theresa Bernal) once who connected me to the Inspector (Alex Motera), with whom I have spoken

twice. To date, however, to my knowledge, no one from the City or Bay Construction has been out to view the damage or to discuss or plan repairs. I would appreciate the city's prompt attention to repairing this damage. Thank you
