Primary and secondary victims of crime are assisted in an effort to stabilize their lives after victimization, help victims to understand and participate in the criminal justice system, and provide victims of crime with a measure of safety and security. The case managers also work

closely through coalitions and with other agencies in an ongoing effort to identify needs and to improve the quality and continuity of services to victims in the community.

The State provides for the salary/benefits of two Victim Case Managers, equipment, supplies, training, and mileage.
