

Cefe Valenzuela Landfill Backup Generators

Council Presentation
January 28, 2025

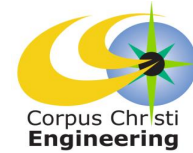

Cefe Valenzuela Landfill Backup Generators

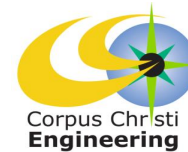

Project Scope

- This project proposes the replacement of the two existing generators at Cefe Valenzuela Landfill.
- The scope is summarized below:
 - Remove the existing generators which are non-compliant with federal and state air permit regulations.
 - Replace with two new diesel 100 kW generators.
 - Install all associated electrical equipment for full operation.
