

Defense Economic Adjustment Assistance Grant – Naval Air Station Corpus Christi Perimeter Fence Grant

Council Presentation
September 2, 2025

Project Location

Project Scope

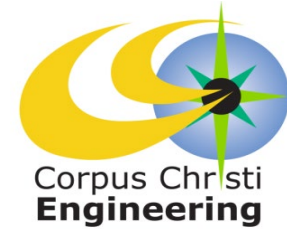

A summary of proposed improvements is as follows:

Replacement of approximately 13,500 linear feet of deteriorated perimeter fence and a gate to prevent unauthorized entry into protected areas and to modernize security fencing to comply with current U.S. Department of Defense Antiterrorism and Force Protection standards at the Naval Air Station Corpus Christi.

Project is a grant awarded to City of Corpus Christi from the State of Texas to replace the deteriorated perimeter fencing at the NASCC. The Texas Legislature appropriated \$30 million in the biennium to the Texas Military Preparedness Commission (TMPC) DEAAG fund to assist defense communities that a past or future Base Realignment and Closure action have impacted.
