Texas General Land Office Beach Cleaning and Maintenance Assistance Program

CAPTION:

Resolution authorizing the City Manager or designee to execute all documents necessary to request continued financial assistance for beach cleaning and maintenance on North Padre Island and Mustang Island during FY 2015-2016 under the Texas General Land Office's Beach Cleaning and Maintenance Assistance Program.

PURPOSE:

The Beach Cleaning and Maintenance Assistance Program provides reimbursement for some portion of the City of Corpus Christi's beach maintenance expenditures.

BACKGROUND AND FINDINGS: The Texas General Land Office (TGLO) Beach Cleaning and Maintenance Assistance Program uses a funding formula to reimburse cities and counties so the reimbursement amount varies from year to year. Currently, the principal portion of the beach maintenance appropriations is distributed among the twelve communities that contain public beaches within their jurisdiction and have made application for funding. For FY13 and FY14, the City received \$62,737.35 and \$75,769.64 respectively. FY15 funds have yet to be distributed but are estimated to be approximately \$62,000.

ALTERNATIVES: Do not apply for beach maintenance funding.

OTHER CONSIDERATIONS: Cities which qualify for eligibility under the Natural Resources Code, may receive up to, but no greater than two-thirds reimbursement for eligible expenses incurred in cleaning and maintaining the beaches; however, actual state appropriations have always limited this reimbursement to the range of 10 to 20 percent of actual local costs.

CONFORMITY TO CITY POLICY: The City Council must pass a resolution to apply for the Texas General Land Office program.
