I work for the Corpus Christi Army Depot. While I am confident I can perform the official duties given my experience, there may be a time when it is mandatory to work overtime. I have not seen this mandate in several years, but it is possible given the nature of our mission to support the war fighter. In the event I am on call, I may not be able to respond immediately due to a possibility of mandatory over time. But I will certainly answer the call upon immediate availability thereafter.

Biograp

Ruben Garcia III
Aircraft Examiner
Directorate of Engine and Power Train
Production

Ruben Garcia was born in Corpus Christi, TX in 1984. He attended Mary Carroll High School and graduated in 2002. After a semester at Del Mar College, he joined the United States Air Force Reserve and started his career in aviation maintenance. Realizing the importance of education, Ruben took advantage of his educational benefits and went back to Del Mar College. He achieved his Associates Degree in Aviation Maintenance Technology from the Community College of the Air Force. Furthermore, he finished the program at Del Mar College and attained a second Associates Degree in Liberal Arts. Ruben continued his education at the University of the Incarnate Word and obtained a Bachelor of Arts in Administration with a minor in Human Resource Management in 2015. Currently, he is pursuing a Master's in Public Administration at Texas A&M Corpus Christi.

Ruben started his career in aviation maintenance in 2003, and after serving in support of Operation Enduring Freedom, he was offered a full time job with the Air Force as a civilian working as an aerospace propulsion specialist. Thereafter, Ruben transferred to the Corpus Christi Army Depot in June 2007. He started his CCAD career as a helper, and with hard work and determination was soon promoted to a journeyman level mechanic in April 2008. With a commitment to professional development, he was accepted into the CCAD UPLIFT Program and graduated in 2014. During this time Ruben was then promoted to work leader in Rotor Control. After a year, he accepted a position as a Quality Control Inspector where he supported Transmission, Gearbox, and Rotor Head systems. Currently, Ruben serves as an Aircraft Examiner for the Directorate of Engine and Powertrain Production.

Ruben is a dedicated husband and father of two beautiful little girls. He volunteers at his local church where he is an active member at Most Precious Blood Catholic Church. He is currently a member of the Texas Air National Guard as a non-commissioned officer.

Ruben Garcia III

OBJECTIVE

With over 13 years of professional experience, I specialize in compliance with a wide range of specialties such as environmental, safety, airworthiness, quality management system, and International Organization for Standardization. My experience also includes the importance of business development by making decisions based on analytical trends. In addition to earning a Bachelor's Degree from the University of the Incarnate Word, which has provided a foundation in organizational development, I strongly believe in my aptitude to adapt, learn, and apply myself to achieve organizational goals.

QUALIFICATIONS

- Over 13 years of professional experience
 - Bachelor of Arts in Administration
 - Strategic planning experience
 - Business decisions based on cost estimates
 - Analyzing trends for process improvements
 - Specialize in compliance
 - Strong research skills
 - Quality Management System experience
 - Military veteran
 - Civilian Service Medal
-

WORK HISTORY

AIRCRAFT EXAMINER/CORPUS CHRISTI ARMY DEPOT/JUNE 2016-PRESENT

Conduct examinations, and evaluations of a variety of Army, Navy, and/or Air Force aircraft rotary wing transmissions and gearboxes on a pre-induction basis, inclusive of the different systems, subsystems, components, and sub-components and parts thereof, either within the assigned workload of CCAD, or for aircraft powertrain components assigned to foreign countries or different contractors for the purpose of

determining the depth and scope of the necessary repair, overhaul, and/or modification required to return such aircraft components to a serviceable condition in accordance with the applicable Project Directive, mission statement, or customer specified statement of work. Prepare cost estimate reports, outlining parts and material required to repair such aircraft rotary wing transmissions and gearboxes, as well as forecasting labor requirements and cost; to accomplish needed repair, overhaul, and modification.

Relevant skills: upper level position, strong adherence to a variety of standards, procedures, policy, tech data, regulations, quality management system, analyze trends, make business decisions based on cost estimates, team building, meeting deadlines, training others, work under pressure, establish work guidelines

QUALITY CONTROL INSPECTOR/CORPUS CHRISTI ARMY DEPOT/FEBRUARY 2015-JUNE 2016

Serve as a quality control inspector responsible for inspection of a variety of aircraft transmissions, gear boxes, other power train assemblies, and related components that have been overhauled, repaired, or modified by trade workers. Work may involve assignment at any one of several inspection stations, located in individual shops that may specialize in a certain model of the equipment identified. Performs in-process and final acceptance inspections. Monitor testing of items and/or performs static or operational tests. Assure that all work processes accomplished meet established quality control criteria, i.e., good workmanship, specified measurements and tolerances, and conformance with current technical data and work specifications.

Relevant skills: quality control, strong adherence to a variety of standards, procedures, policy, tech data, using automated systems to analyze both successful and unsuccessful trends, assist management with business decisions based on analytical trends, documentation of objective evidence, teamwork, team building, working well under pressure, meeting deadlines, writing reports

WORK LEADER/CORPUS CHRISTI ARMY DEPOT/FEBRUARY 2014-FEBRUARY 2015

Lead a branch of the transmission production operations in a highly industrialized depot complex engaged in the maintenance, repair, and/or overhaul of gearbox assemblies, sub-assemblies, accessories, components, and other parts. Carry out plans and execute all operational, some administrative and technical functions of the organization from management. Distribute assignments to subordinates and establish timelines. Verify work in progress and when finished, check for compliance with supervisor's instructions on work sequence, procedures, methods, and deadlines.

Relevant skills: Compliance with all technical data, research skills, team building, working under pressure, meeting deadlines, executing plans, training others

Verification

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

☒ I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

☒ I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application for appointment it must be disclosed under the Public Information Act. I also understand that it may not be legally possible to maintain the confidentiality of such information, and I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Public Information Act.

☒ I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

☒ I Agree

Code of Ethics - Rules of Conduct/Conflicts of Interest
