Petition to the Corpus Christi Aquifer Storage and Recovery Conservation District to include City properties within the District boundaries

CAPTION:

Resolution to authorize petitions and other appropriate information and documents to be submitted to the Corpus Christi Aquifer Storage and Recovery Conservation District to include City-owned properties in the District under Texas Water Code section 36.321

SUMMARY:

Submit a petition to the Corpus Christi Aquifer Storage and Recovery Conservation District to include City properties within the District boundaries.

BACKGROUND AND FINDINGS:

The City operates Eastern Water Well Fields where Well Nos. 1 through 8 are located. The City is also developing the Western Water Well Field and current status is Well Nos. 9 through 12 are under construction. The Eastern and Western Well fields are located on property owned by the City located outside of the City limits in Nueces County. The wells are not located within a groundwater district. Last month, a petition was submitted to TCEQ for a new proposed Nueces County Groundwater District. This Resolution is to submit a petition to include the City well properties within the boundaries of the Corpus Christi Aquifer Storage and Recovery Conservation District.
