Manhattan Drive
Removal of Parking Prohibition between Weber Road and Bahama Drive

CAPTION:

Ordinance amending Section 53-253 of the Code of Ordinances to remove the parking prohibition on Manhattan Drive by deleting the street from "Schedule IV—Stopping, standing or parking prohibited during certain hours on certain streets."

PURPOSE:

This ordinance would remove the parking prohibition on Manhattan Drive, resulting in parking all day.

BACKGROUND AND FINDINGS:

Manhattan Drive, between Weber Road and Bahama Drive, both sides is prohibited parking between 9:00 a.m. and 3:00 p.m., school days only. The neighborhood was impacted by student parking during school days at Carroll High School.

Carroll High School now leases a parking lot from adjacent church to accommodate the student parking. The neighborhood is no longer adversely impacted by student parking.

The Transportation Advisory Committee (TAC) approved the removal of the parking prohibition on Manhattan Drive between Weber Road and Bahama Drive on November 25, 2013.

ALTERNATIVES:

1. Recommend to approve the ordinance, to remove parking prohibition.
(recommended)

2. Do not approve to recommend the ordinance, thereby keeping this portion of Manhattan Drive prohibited parking between 9:00 a.m. and 3:00 p.m., school days only. (not recommended)
