OBJECTIVE:

I am seeking a position on the Arts and Cultural Commission.

EDUCATION:

I received my BA in Sociology with a minor in English from Northwestern State University in 1998. I am 6 course hours and 100 internship hours away from my MA in School Guidance Counseling. 08/14-5/17

08/11-05/13

Gulfport School District-Gulfport, MS

I held the position of Special Education Teacher at Gulfport High School. I performed inclusion duties in 2 blocks of Integrated Math 1 and 2 (Math on the common core curriculum), and taught 2 blocks of 9th grade learning strategies. I was responsible for preparing IEPs, as well as scheduling and conducting IEP meetings in accordance with IDEA2 regulations. I participated in the administrations of SATPs, particularly serving as a read-aloud accommodator, as well as the ACT and ACT Plan. I provided after-school tutoring at least once per week to those students who demonstrate need.

08/09-05/11

Why are you interested in serving on a City board, commission or committee?

I am interested in serving on the Arts & Cultural Commission because the Arts and quality of life for our entire community is very important and near and dear to my heart. Growing up in Houston provided me many opportunities to experience Art and Culture in my youth and young adulthood. I want to afford my children and our community the same opportunities to enrich their lives and experience far away places close to home. The Arts are a vital part of who we are as a community and moving forward I believe our city should be showcased for the wonderful creative hub we are on a State and National level.
