

# City-Operated Corpus Christi- Nueces County Public Health District Cooperative Agreement

Health Department  
Interim Director Dr. Dante Gonzalez

# Motion

Motion authorizing Restated Cooperative Agreement for City-Operated Corpus Christi-Nueces County Public Health District with Nueces County membership contributions for FY26 of \$1,800,000.00 for Public Health Services.

# Restated Cooperative Agreement

On February 15, 2022, the City of Corpus Christi and Nueces County executed a Cooperative Agreement, making the City the sole operator of the Corpus Christi–Nueces County Public Health District (CCNCPHD) since March 1, 2022.

## The Restated Cooperative Agreement for FY26 includes:

### Base Contribution:

- Nueces County membership contribution at \$1,800,000.00 for FY26 and future fiscal years (\$35K increase).

### Annual Negotiations:

- Allows for yearly negotiation of additional contributions, to be finalized by August 15.

### Sunset Review

- A sunset review of the Corpus Christi–Nueces County Public Health District (CCNCPHD) will begin after FY29 and recur every three years thereafter.

# Core Services Funded and Provided by Public Health District

The Restated Cooperative Agreement outlines service expectations and operational procedures to ensure effective collaboration between the City of Corpus Christi and Nueces County in delivering public health services.

- Personal health promotion and maintenance
- Infectious disease control and prevention
- Environmental and consumer health programs
- Public health education and outreach
- Laboratory services
- Administrative support

# Remote Calderon Clinic Services

- Immunizations (State/Federal programs)
- Health Screenings for Chronic diseases such as diabetes, hypertension, and cholesterol
- Sexually Transmitted Infections testing, treatment, case management, and reporting
- HIV screening, counseling, and coordination
- Tuberculosis screening, treatment, case management and reporting

# Mobile Health Clinic Services

Mobile clinic services underserved and rural communities in Corpus Christi and Nueces County

Mobile Clinic terms include:

- The County will provide the bus, maintenance, fuel, driver, and insurance.
- The mobile clinic operates twice a month with staffing provided by the City/Health District. Services include:
  - Preventative screenings and education on body mass index, diabetes, hypertension, and cholesterol
  - Immunizations through Texas Vaccines for Children and the Adult Safety Network
  - HIV counseling and coordination

# FY 2025 QUARTERLY IMPACT REPORT

Oct 2024 – June 2025

## Impact Report to Commissioners Court

### Quarterly Presentations:

- The Director of Health District will present the Program and Finance quarterly report to the Commissioners Court to provide an overview of the overall service output on clinical services, financial expenditures, and programmatic outputs broken down by zipcode.

## **Fiscal Impact:**

Fiscal Year FY26 Nueces County membership contribution of \$1,800,000.00 to the City of Corpus Christi. CCNCPHD funding from the County will be negotiated annually, as payments for services and operations will be budgeted per fiscal year.

## **Recommendation:**

Staff recommends approval of the Ordinance.
