Relevant work experience

Senior Aviation Accident Investigator | Corpus Christi Army Depot | Corpus Christi, TX
Series: 1801 - Grade: 12

05/2017 - Present
Hours per week: 40

As an aviation accident investigator, I have participated in and/or conducted on-the-scene investigations of accidents or incidents involving military aircraft, selected United States Government aircraft, and military ground vehicles.

I have responded on short notice to investigate accidents in many locations in the continental United States and worldwide including Afghanistan and South Korea. I can compile all significant findings concerning the accident, interview technical witnesses, and complete a written record of all the known material facts, conditions, and circumstances, to establish the basic material causes of individual failures. I have prepared cost estimate reports and forecasted man hours to determine repair for components that have prematurely failed.

I am familiar with different aircraft, structures, power plants, systems, maintenance, and crash survival equipment including UH-60s, CH-47s, AH-64D, AH-64E, and UH-72. I have completed accidents for the 160th Special Operations Regiment Regiment to include MH-60M DAP and MH-6M aircraft.

I have analyzed comparable accidents or incidents to discover inadequacies in the design, structures, power plants, or the performance capabilities of the equipment or physical crew limitations.

I have conducted quality equipment failure analysis and was assigned to special projects involving current and modified weapon systems.

I have conducted equipment failure analysis in direct support of the U.S. Army's Product Quality Deficiency Programs and by joint military agreement with other U.S. Military services and government agencies.

After every investigation I have performed, I have served as a primary point of contact and authority in matters relating to aircraft systems and component malfunctions. I am also held responsible for the validity of recommendations made to correct or reduce the probability of recurring malfunctions. I have over 17 years of experience with common office computer software such as Microsoft Office, including spreadsheet applications. I have over 17 years of experience retrieving and using technical data such as Depot Maintenance Work Requirements, NAVAIR, Technical Order, and Army Technical Manuals

I have gone to OEM facilities to perform progressive evaluations of the dynamic components, engines, and other items left on accident aircraft to determine the extent of serviceability.

I have worked with the U.S. Army Aeromedical Research Laboratory personnel to determine the causes of injuries of occupants of the aircraft involved in aviation accidents, and review, procedures, search and rescue, crashworthiness, and equipment design.

Aircraft Mechanic | Corpus Christi Army Depot | Corpus Christi, TX
Series: 8852 - Grade: 10

10/2014 - 05/2017
Hours per week: 40

As an aircraft mechanic working in the Analytical Investigation Branch, I have helped conduct over twenty mishaps and Product Quality Deficiency Report (PQDR) investigations on advanced cargo, attack, and utility rotary wing/ fixed-wing aircraft. Also, I have aided with investigations on associated components to determine material conditions and root cause failure analysis. Some of the components included but were not limited to the airframe of UH-60, UH-1N, CH-47F, AH-64D, and cross-service components for the Navy and Air Force. My associates and I would conduct a teardown analysis of the failed parts and attempt to isolate the root cause of the failure. Knowledgeable in assisting junior and senior level investigators prepare technical reports of component failures, and providing recommendations to reduce the probability of reoccurring component malfunctions. Directly assisted with a United States Army 160th Special Operations Aviation Regiment weapons system component (50 cal.) to determine the root cause of failure. I am familiar with the process of sending components to local the laboratory for lab analysis and non-destructive testing. I contribute regularly to accident investigators by helping to analyze mishaps and discover inadequacies in maintenance instructions and shop operating practices at the Corpus Christi Army Depot. I was part of an accident investigation board to help determine a Class B aviation accident. We compiled the findings of the accidents, established the root cause of failure, and completed a written report. Once the report was completed, we debriefed the Deputy Commander of the Corpus Christi Army Depot and his personnel. Furthermore, recommendations were made to reduce any reoccurring component malfunctions. I have over 10-year experience in aircraft maintenance, information gathering, mission execution, and technology application.

Aircraft Mechanic | Corpus Christi Army Depot | Corpus Christi, TX

01/2006 - 10/2014
Hours per week: 40

As a journeyman mechanic, I work on many crashed damaged aircraft. I also have experience as a crew chief on crashed-damaged Black Hawk and battle-damaged Pave Hawk aircraft. I would ensure my team and I would disassemble the aircraft by the maintenance manual and ensure we performed teardown procedures safely and efficiently. We would recognize and identify any safety hazards or potentially dangerous conditions, and make recommendations to prevent

injuries. Once we would begin to tear down the aircraft we would use computers with various software packages to create documents and record data of our progress. We would input data into the logbook to record all the work completed. After the airframe is stripped of the major components we would perform maintenance procedures on the equipment to determine physical damage or serviceability. After all the powertrain, power plant, hydraulic, fuel system, and flight control components were removed, we would use aircraft system diagrams and manufacturers' data to establish serviceability. To help determine the serviceability of the components we would use basic tools, both metric and standard, such as micrometers and calipers. After the aircraft was ready for assembly my team and I would install the components per the technical manual. If there were any additional issues, as a crew chief, I would troubleshoot the problem using the technical manual or any other data, such as safety of flight or AMAM, or ASAM. As a crew chief, I was the primary contact between management and support personnel to give technical information on the status of the aircraft and its systems.

EDUCATION

University:	University of Houston, BBA, 1977
Junior College:	Del Mar College, Associate of Arts, 1975
High School:	Mary Carroll High School, 1973

PROFESSIONAL EXPERIENCE:

September 2023 to Present -- Lone Star TRS, LLC., Construction and its affiliates Executive Marketing Director

Today, I am Marketing Director for three companies with a focus on open relationships for future growth.

August 2018 to September 2023 - American Red Cross Coastal Bend Chapter – Senior Disaster Program Manager South Texas Territory

I managed the implementation of the disaster services program in an assigned geographic territory based on the regional configuration. I lead and manage a team of local Disaster Program Managers responsible for the implementation of disaster preparedness, response, and recovery programs in the local area. I plan, direct, and implement department, service or programs overall strategic goals and objectives. My role is to ensure the development of Disaster leadership volunteers in each of the programs support functional areas of the disaster cycle to meet the needs of the territory, region, state, and division. Previously as former Executive Director one of my key roles is to provide information and develop relationships with all elected officials in my 19 County Area. I served as the liaison during disasters to provide current and updated information during these situations to my local Board of Directors, State elected Officials, the County Judges and Emergency Managers as deem necessary. I also worked to continue to Develop our volunteer base to help the American Red Cross implement programs such as Sound the Alarm, ERV Rodeo and Pillowcase Project.

May 2015 to September 2019, K&M Premier Real Estate:

As a Real Estate agent my role was to assist future or present homeowners in finding that place of real estate that they could call home. As their agent I made sure they understood options that were available to them in inspecting home, financing available and pro/cons in selection of neighborhoods. The joy of helping individuals in finding the place their dream home was rewarding in watching excited about the next chapter of their lives. I inactivated my license when accepted present responsibilities as Executive Director of the American Red Cross.

August 2015 to February 2016 Coastal Community and Teachers Credit Union:

Responsible for Business Development for Credit Union utilizing new Credits Score Analysis program seek opportunities to assist anyone wanting to improve their Credit Scores. Sought small business operations wanting to offer On Spot Financing to improve their sales volumes.

May 2013 to January 2015 Mike Shaw Toyota - Direct Marketing Manager

Sought marketing opportunities to gain experience the Toyota footprint in a Multi-County area while staying involved within community seeking venues to allow local businesses to be more competitive when making transportation investments.

May 2010 to May 2013, Value Bank Texas - Vice President Commercial Lending

I had the opportunity to stay involved with my community while seeking financing opportunities for existing and future customers. I reviewed client's Annual Financials, Tax Returns and P&L's when they requested new money for existing businesses, expansion of businesses, car loans, extensions, or renewals. My portfolio of \$4 million plus consisted of small and larger businesses maintaining or growing all facets of their operations. As a Commercial Banker my responsibilities were inclusive of seeking and meeting new customers, opening checking and savings accounts, originating consumer, commercial and SBA loans from inception to closing, while offering all Bank products and services.

July 2008 to May 2010 H. E. B. Plus - Food Director

I managed 15 Departments, 150 partners (staff members) and had the financial and responsible for operational responsibility of supporting my \$90 Million Store, in the Gulf Coast Region and Partners. Our Bold Promise is to offer the best customer service possible while supporting our community and partners.

February 2003 to July 2008 WAL-MART - Store Manager Salinas Valley, California

Trained in the Rio Grande Valley area, where I served as acting Store Manager and later accepted a position in the Corpus Christi District. I served as Co-Manager for the Alice Wal-Mart Supercenter managing over 350 associates with annual sales exceeding \$80 million. Further in my career, I was promoted to Store Manager of a Walmart, a \$105 Million Dollar store, in Salinas Valley California. My responsibility consisted of dealing with every facet of the business inclusive of operations, financials and staffing while maintaining a good rapport with the community.

June 2001 to February 2003 Unique Staff Leasing - Sales Representative

I sought small and large businesses in need of outsourcing their Human Resource responsibilities.

October 1985 to 2006, Self-Employed served as President/Owner of Super Mex No. 5 Supermarket, Super Mex No. 6 Supermarket, Super Plus Supermarket, Super Seven Superette, Five Star Foods, and Boatners' Restaurant.

Being raised in the grocery store business since 1965, incentivized me to purchase my first Supermarket and move my family from San Antonio to Corpus Christi. My wife and I then successfully operated all facets, including market, produce, grocery departments, of supermarket. During these twenty plus years we were able to maintain a profitable business regardless of challenges and competition, managing over three hundred employees during tenure of sole proprietorship. Due to competition and economic hardships for our customer base we sold our last neighborhood grocery store in 2006.

July 1998 to January 2000, Powerhouse Advertising - Partner/Owner Agency

Recruited business clients in need of advertising agency offering a full line of advertising opportunities. Two of our greatest successes were the creation of the Logo for TX A&M Islanders and Radiology Associates.

January 1985 to June 1986, Richard Gill Savings – AVP Quality Control

Implemented Quality Control standards while spear heading the certification of 1300 Government National Mortgage Association Pools, which were missing approximately 248,000 original documents. Managing over two hundred part-time employees we were able to certify all but one GNMA Pool when resigned.

May 1980 to December 1984, Commonwealth Mortgage Corp. – AVP Escrow Division Responsible for Collections, Foreclosures, HUD 235's, Data Processing Liaison, Customer Service, Adjustable Mortgage Loans, Loan Set Up, Tax, Department, Escrow Analysis, Insurance Department, Record Retention, Mailroom, and Building Maintenance managing over seventy-five employees.

January 1980 to April 1980, Wendt, Perrin, Mote and Barnett, CPA - Auditor
Audit Clients financial books in preparation for audits and tax returns.

March 1978 to December 1979 First City Bank - Collector
Collected debt secured & unsecured and was later instrumental in establishing a Mastercard/Visa Credit Card Dept.

John Garcia

317 Peoples Street Apt#205

Corpus Christi, TX 78401

Cell: 361.444.9566

Email: [REDACTED]

John Garcia has been active in the hospitality industry for 19 years. Born and raised in Corpus Christi, Garcia's first opportunity arose when he started at the Ramada Inn Bayfront & Conference Center in 1997. This experience adds supplemental familiarity with conventions sales, hospitality, and strong community involvement. During his first 6 years at the Ramada Inn, he became a member of numerous organizations: Corpus Christi Chamber of Commerce (Ambassador), Corpus Christi Hispanic Chamber (Embajador), Hospitality Sales Marketing Association (Vice President, 2004) (HSMA Member of the Year 2004), and Harbor Lights Festival (Committee member) Dress for Success Volunteer, Transportation Advisory Committee Board member, NAACP Banquet Committee member, Corpus Christi Greater Hospitality Association member, Girl Scouts of South Texas, Westside Business Association member and the Corpus Christi Transportation Advisory Board.

John also accomplished a graduate, certification course from the prestigious Dale Carnegie. Garcia's experience as Sales Manager gave him an opportunity to advance in the hotel industry. In June 2003, he became Director of Sales & Marketing at the Ramada Limited Airport Hotel on McBride Lane and Interstate 37. In April 2005 an opportunity arose at the Corpus Christi Convention Visitor Bureau as Destination Sales Manager for the sports & Mexico market for the city. Is currently Director of Sales for a couple hotels in the greater Corpus Christi area. John holds a great appreciation for the power of community, and his continued involvement and support is evident in his work performance

Airport Board

Why are you interested in serving on a City board, commission or committee?

I'm a life long aviator. Aviation has been my passion for as long as I can remember. A P-3 Naval Aviator by trade, a flight instructor of over 12 years, Lean Six Sigma certified and an Executive MBA, I feel like this is a perfect opportunity to continue to serve my community. No longer active duty Navy, no longer flying for American Airlines, I have more time to explore new avenues of service and would love to be a part of something special for our community. This could be a unique opportunity to give back to our city, Corpus Christi—one I proudly call home. A permanent home for me and my family. Hopefully my experience and leadership in aviation, both civilian and military, can help provide perspective and make a positive contribution for our city. I'd be honored to be considered. Thank you.

Education, Professional and/or Community Activity (Present)

I currently serve as the Director of Marketing for the Boys & Girls Clubs of the Coastal Bend, where she leads strategic marketing, communications, and fundraising initiatives to support youth programs across the region. I have been an active Rotarian for six years, demonstrating a strong commitment to service and community leadership. I'm Leader Corpus Christi Class 54. I serve on the CASA of the Coastal Bend Board of Directors for eight years, advocating for children in foster care and supporting initiatives that strengthen families and child welfare outcomes. I am also the President of the Southside Business Association, working to promote local businesses and economic development. In addition to nonprofit and civic leadership, I co-owner of Sal's Bronx Pizza Restaurant and Perkes Enterprises, which manages short-term rentals, land holdings, a shopping center, and a law office. Through entrepreneurial efforts, I support local job creation and community growth.

Why are you interested in serving on a City board, commission or committee?

I am interested in serving on a City board, commission, or committee because I truly believe strong communities are built when people step up and give back beyond their own organizations or businesses. Through my work with the Boys & Girls Clubs of the Coastal Bend, CASA of the Coastal Bend, Rotary, and local business leadership, I have seen firsthand how thoughtful decisions at the city level directly impact families, youth, and the long-term health of our community. Serving in this capacity would allow me to bring a collaborative, service-driven perspective to the table—one grounded in both nonprofit and small business experience. I care deeply about the Coastal Bend and want to be part of solutions that strengthen neighborhoods, support economic growth, and ensure our city remains a place where families and future generations can thrive. I am motivated by service, accountability, and community impact, and I would be honored to contribute my time, experience, and passion to help move our city forward.

Application for Convention & Visitors Bureau Board Application for Convention & Visitors Bureau Board

Dear Members of the Convention & Visitors Bureau Board,

I am writing to express my interest in serving on the Convention & Visitors Bureau Board. As a marketing professional, business owner, and longtime community advocate, I am deeply invested in the continued growth, vitality, and positive reputation of Corpus Christi and the Coastal Bend.

In my role as Director of Marketing & Communications for the Boys & Girls Clubs of the Coastal Bend, I lead strategic marketing, branding, and public engagement efforts that connect organizations with the communities they serve. My background also includes serving as Marketing Manager for Tejas Broadcasting and owning Coastal Media Advertising for six years, where I worked closely with local businesses to promote brand awareness, drive engagement, and strengthen economic impact through targeted marketing strategies.

Beyond my professional experience, I bring a strong commitment to civic service and collaboration. I have served eight years on the CASA of the Coastal Bend Board of Directors, have been an active Rotarian for six years, and currently serve as President of the Southside Business Association. I am also a graduate of Leadership Corpus Christi, Class of 54. These experiences have reinforced my belief that thoughtful leadership and strategic promotion are essential to a thriving community.

As a business owner and marketing leader, I understand the importance of tourism as a driver of economic development, job creation, and community pride. I would be honored to contribute my skills, perspective, and passion to support the mission of the Convention & Visitors Bureau and help elevate Corpus Christi as a destination for visitors, events, and future investment.

Thank you for your time and consideration. I would welcome the opportunity to serve and contribute to the continued success of our city.

Sincerely,

Kris Tovar
Director of Marketing & Communications
