Approval of a Developer Participation Agreement for Street Oversizing for street infrastructure improvements at London Towne Subdivision Unit 12.

CAPTION:

Ordinance authorizing a Development Participation Agreement with Braselton Development Company, LTD to reimburse the developer for the oversizing of the street infrastructure improvements on Lady Claudia Street not to exceed \$143,198.45 for the development known as London Towne Subdivision Unit 12 (District 3).

SUMMARY:

Braselton Development Company, LTD is developing a new residential subdivision and is required to construct the street infrastructure improvements. Developer has agreed to enter into a developer participation agreement for the oversized street improvements of Lady Claudia from the required C1 street construction to the oversized C3. The estimated one-time City portion of the cost is \$143,198.45.

BACKGROUND AND FINDINGS:

The Developer, Braselton Development Company, LTD, has requested and will be eligible for reimbursement through a developer participation agreement for the oversizing street infrastructure improvements at London Towne Subdivision Unit 12 for the construction cost per UDC Section 8.4.

ALTERNATIVES:

An alternative to utilizing Developer Participation funds to construct the required street infrastructure improvements would be to construct the improvements under a city-initiated CIP project. This option would most likely delay the development of the property until the required funding for the improvements could be programmed into the CIP budget and would most likely impact the developer's ability to build out the planned residential subdivision in a timely manner.

FINANCIAL IMPACT:

The \$143,198.45 in funding for this participation agreement comes from funds that will be secured with the issuance of tax notes as approved in the FY25 budget. This project will improve the street infrastructure of the development of the planned subdivision named London Towne Subdivision Unit 12. This request is a one-time cost associated with the development of the project with the FY 2025 budget to be paid out in FY 2026.

Funding Detail:

Fund: 1041 Streets
Department: 33 Streets
Organization: 11112 Purchases with Short Term Debt
Project: London Towne - Lady Claudia Street Participation Agreement
Account: 530000 Professional Services
Amount: \$143,198.45
Fiscal Year: 2026

RECOMMENDATION:

The request is in accordance with UDC Section 8.4 City Participation in Streets and Drainage Crossings. The oversizing street infrastructure will be an improvement and provide an overall greater capacity. Staff recommends approval.
