

AVIATION WORKER SCREENING

AIRPORT BOARD MEETING
SEPTEMBER 27TH, 2023

Aviation Worker Screening

TSA released a notice of “Informed Compliance” that allows airports to defer operational implementation of aviation worker screening until as late as September 25, 2024.

Estimated cost for the first year of this unfunded mandate for CCIA is \$45,000.

Two contracted security officers to staff at least 12 hours per week at random times, locations, and intervals.

CCIA plans to exercise informed compliance while some airports bring the issue to federal courts.
