

Disaster Debris Consulting and Monitoring Service Agreement

Council Presentation
March 21, 2023

Project Scope

Motion authorizing a three-year service agreement, with two one-year option periods, with Tetra Tech, Inc. of Houston, to provide consulting and monitoring services for storm debris removal for Solid Waste Services, in an amount not to exceed \$948,200.00, and a potential of \$1,580,333.33 if options are exercised.

This is a motion to approve awarding a contingency service agreement for the Solid Waste Department for disaster debris consulting and monitoring services dependent on a Federal Emergency Management Administration (FEMA) declared disaster emergency. The contract will only be activated in the event of an emergency.
