If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

I am only applying for one.

Why are you interested in serving on a City board, commission or committee?

I moved to Corpus Christi in January of 2015. Since that time, I have been impressed with the sense of community in this city. I have a passion for contributing and believe I can contribute as well as learn on the leadership committee for Senior Services. I have worked in leadership roles and understand leadership means collaboration, commitment, and accountability to those being served. I am at a point where I believe it is time for me to step up and volunteer at the level of service this committee would require.
