# **Texas Parks & Wildlife Grant Application for a New Trail at Bill Witt Park**

January 27, 2026

# SUMMARY:

- The Parks & Recreation Department (PARD), in coordination with Texas Parks & Wildlife Department (TPWD), propose to submit a grant application to the Recreational Trails Grant Program to improve trail connectivity at Bill Witt Park.
- The trail connectivity project aims to significantly enhance mobility by linking the park to a broader network of recreational spaces & surrounding residential neighborhoods.

# **BACKGROUND:**

- The trail connectivity project is planned to be executed in two phases.
- This application to acquire TPWD grant funds will only be for the Phase 1 of the project.
- Phase 1 of the project involves the construction of a new trail, approximately 2,300 feet, that will bridge the gap between the existing Bear Creek Hike & Bike Trail and the Oso Creek Nature Trail.
- Upon execution, the City will provide a cash match of 20%, not to exceed \$75,000 & TPWD will reimburse 80%, which equal \$300,000.
