If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Committee for Persons with Disabilities Senior Corps Advisory Committee

Why are you interested in serving on a City board, commission or committee?

I am interested in serving on the Senior Corps Advisory Committee because I am deeply committed to strengthening community-based systems that support older adults, promote healthy aging, and reduce social isolation. Through my professional work in public health and human services, I have seen firsthand how volunteer-driven programs can improve access to services, build trust, and enhance quality of life, particularly for seniors who may be navigating health challenges, housing instability, or limited support networks. Serving on the Advisory Committee would allow me to give back through strategic guidance, stakeholder engagement, and a shared commitment to ensuring Senior Corps programs remain responsive, inclusive, and impactful for both volunteers and the communities they serve. I am interested in serving on the Committee for Persons with Disabilities because I am committed to advancing inclusive, accessible, and equitable systems that support individuals with disabilities across all stages of life. Throughout my career, I have seen how structural barriers such as limited access to healthcare, housing, transportation, and employment can significantly impact independence, health outcomes, and quality of life for people with disabilities. I am particularly interested in contributing to efforts that elevate the voices of people with disabilities, promote universal design and reasonable accommodations, and strengthen coordination among service providers. Serving on this committee would allow me to apply my experience in strategic planning, advocacy, and community engagement to help inform policies and initiatives that reduce barriers and expand opportunities for full participation in community life for persons with disabilities.

☒ Yes ☐ No

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

No. I am involved in other agencies' committee but in no relations to the City.

Education, Professional and/or Community Activity (Present)

My name is Aliza Long (pronounced Ah-lee-zah). I am a 31 years old mother of two smart and handsome boys. I proudly identify as Deaf. I currently serve as a Deaf and Hard of Hearing Access Specialist at the Deaf and Hard of Hearing Center (DHHHC), where I am a State Contractor with Texas Health and Human Services in Region 11. In this role, I advocate for equal access by providing advocacy services and case management support, resource assistance, and at no-cost accessibility training to agencies—helping ensure Deaf, Hard of Hearing, and DeafBlind individuals are seen, heard, and fully included. I am currently attending Del Mar College, pursuing a degree in Business Administration. My long-term goals include becoming a Certified Deaf Interpreter (CDI) and a Real Estate Agent, so I can continue breaking barriers and expanding access for the Deaf and Hard of Hearing community in new and meaningful ways. Before COVID, I worked as an Event Coordinator and have proudly volunteered with the DHHHC for several years. I remain actively engaged in multiple Deaf and Hard of Hearing organizations and previously served as the Interim Chairperson of the DHHHC Advisory Board. My professional experience also includes working with Corpus Christi ISD as a para-professional substitute, staff interpreter, and Deaf Education substitute, supporting students in the Regional Day School Program for the Deaf (RDSPD) and helping shape the next generation of leaders. As a civil activist, I am deeply committed to helping, educating, and enhancing the lives of others through empowerment, access, and advocacy. I believe that when individuals are given the tools to succeed, entire communities rise. My guiding principle is simple yet powerful: live, learn, overcome, and conquer.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Primary focus would be on Committee on Persons with Disabilities.

Why are you interested in serving on a City board, commission or committee?

Serving on the board allows me to help influence meaningful change across South Texas organizations that provide essential services to Deaf, Hard of Hearing, and DeafBlind individuals. I strongly believe it is vital to encourage and empower Deaf and Hard of Hearing individuals to embrace leadership roles and reach their full potential. Building strong relationships across organizations strengthens collaboration, increases productivity, and creates lasting impact. When one agency succeeds, it contributes to the progress of others. Through collective effort, the South Texas community can drive system change by empowering both individuals and organizations. I am committed to working collaboratively for the greater good of our Deaf, Hard of Hearing, and DeafBlind community.

Education, Professional and/or Community Activity (Present)

I currently work as a Special Education coordinator for Corpus Christi Independent School District. I oversee the Regional Day School Program for the Deaf that serves students across the Coastal Bend, around 37 school district. I also oversee the Speech and Vision services programs and facilitate parent engagement and education for the whole school district regarding special education and disabilities. I work collaboratively with local non-profit agencies that support accessibility for people with disabilities.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Committee for Persons with Disabilities

Why are you interested in serving on a City board, commission or committee?

I am interested in serving on the Committee for Persons with Disabilities because I am a dedicated advocate for accessibility, safety, and autonomy for individuals with disabilities. I believe that when we remove barriers for people with disabilities, we foster a more inclusive, conscious, and equitable community for all. As a professional in Special Education, I work closely with administrators, general education teachers, parents, and campus staff to ensure they have the knowledge and tools to build accessible environments for students with disabilities. Too often, non-disabled individuals are unaware of the daily challenges faced by those navigating spaces not designed to meet their needs. My goal is to engage in intentional, informed advocacy that helps create a community that not only supports but champions accessibility and belonging.

Education, Professional and/or Community Activity (Present)

I graduated from college and earned certifications in real estate and film. As a Sales Consultant at Palm Harbor Homes, I help people move from difficult situations into better living conditions, which has strengthened my passion for supporting others. I'm also the founder of Ignite World, a nonprofit dedicated to fostering meaningful conversations through The Unspoken, a card game that encourages open dialogue on important social issues. My greatest strengths are listening, learning, and communicating with compassion. I'm committed to seeing things through and making a real impact. While I haven't worked extensively one-on-one with individuals with disabilities, I've been in situations where I've helped, and I'm eager to do more.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

N/A

Why are you interested in serving on a City board, commission or committee?

I want to join the Committee for Persons with Disabilities because I genuinely care about people and believe everyone deserves the opportunity to thrive, no matter their challenges. Growing up with a learning disability, I faced my own struggles, and I know firsthand how frustrating it can be to feel limited. Being part of this committee would give me the chance to advocate for others, help improve accessibility and resources, and ensure that people with disabilities in our community feel heard, supported, and empowered. It's something I'd find deeply fulfilling, and I'm excited about the opportunity to make a real difference.

I have served as Disaster Relief Manager for the Hurricane Harvey Relief Initiative and led a team of outreach specialists, following the Department of Labor's guidelines including application of services to individuals with disabilities, adaptive equipment, disability equipment lifts and workstation(s) dedicated for utilization of individuals with disabilities. In my current role, I work as a liaison between Texas Workforce Commission, Vocational Rehabilitation Services and the community targeting pre-employment transition services for Students with Disabilities. Why are you interested in serving on a City board, commission or committee?

My passion is for serving our community and most importantly, as an advocate for inclusion for all individuals, including those with disabilities. I not only have a professional understanding, but also a personal understanding of the barriers and obstacles people with disabilities can encounter. If given the opportunity to serve on the Committee for Persons with Disabilities I would serve as both a resource in the workforce development area and could provide insight as well as a voice for the inclusion of persons with disabilities.
