

STATUTORY EXEMPTION FORM

Procurement Detail

Department: Water Utilities Date: 3/12/24
Estimated Cost: \$400,270.00
Urgency: High

Exemption Type

Type: Sole Source

Note: Emergency Procurements do not require a statutory exemption form, please use an emergency memo

Exemption Justification

Narrative: The proposed contract with Environmental Improvements, Inc. (EI2) is a five-year agreement for the ONS Plant Disinfection System Preventative Maintenance (PM) and it is a sole source. The PM includes whole system inspection, installation of manufacturer's recommended maintenance parts, testing and calibration of equipment for the Evaporators, Vacuum Regulators, the Chlorinators and 2" Injectors.

Attachment: Yes
