If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Library board; landmark commission

Why are you interested in serving on a City board, commission or committee?

I want to give back to my community. I was born, raised, and lived in the Corpus Christi area my entire life. It is time for me to serve my community. I am greatly interested in serving on the Library Board. Libraries are the heart beat of the community. Some of my fondest memories are going to the library and checking out books, participating in story time at the Parkdale Library, summer time reading challenges and earning stickers at the Parkdale Library, and conducting research for high school classes and college classes. As an English teacher, I used the Central Library for research to gather more information to pass on to my students. I took my own children to story times at the Central library, and they participated in summer reading programs. Libraries are the greatest gifts we can share with our fellow citizens.
