Public Health Employee Training and Development

November 15, 2022
Fauzia Khan
Director of Public Health

Public Health
Prevent. Promote. Protect.

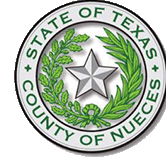

Time:

November 18, 2022, 8:00 AM – 1:00 PM

- Provide employee training and development
- The training and development will focus:
 - Improving customer experience
 - Certify all employees on Blood Borne Pathogen
 - Train staff on “Recognizing mental health crisis”
 - SWOT Analysis

Public Health
Prevent. Promote. Protect.

Public Health District staff will receive certification and training on furthering their knowledge base on HIV, Hepatitis B, Hepatitis C, and the diseases they cause.

- BBPs are transmitted, so you can recognize potential hazards.
- Exposure Control Programs, universal precautions and methods for reducing risk of exposure.
- Learn about tools like signs, labels, and color-coding to warn staff about biohazards.

Public Health
Prevent. Promote. Protect.

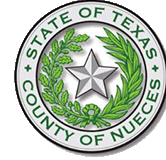

Mental health awareness is crucial for a healthy community. Coastal Bend Wellness Foundation will provide an overview and train our staff on the importance of recognizing a mental health crisis.

Public Health
Prevent. Promote. Protect.

SWOT Analysis:

Analyze Health District's strengths, weaknesses, opportunities, and threats to rebuild a public health driven foundation for our services and the future of public health.

	Helpful	Weaknesses
Internal	Strengths S	Weaknesses W
External	Opportunities O	Threats T
