

Resolution supporting the City of Corpus Christi’s application to the Texas Department of Transportation’s 2023 Transportation Alternatives Set-aside (TA) call for projects for the Holly Road Train Trestle to Tourism Trail Project

Whereas, the Texas Department of Transportation issued a call for projects in December 2022 for communities to apply for funding assistance through the Transportation Alternatives Set-Aside (TA) Program; and

Whereas, the TA funds may be used for development of preliminary engineering (plans, specifications, and estimates and environmental documentation) and construction of pedestrian and/or bicycle infrastructure. The TA funds require a local match, comprised of cash or Transportation Development Credits (TDCs), if eligible. The City of Corpus Christi would be responsible for all non-reimbursable costs and 100% of overruns, if any, for TA funds.

NOW, THEREFORE, BE IT RESOLVED BY THE CORPUS CHRISTI CITY COUNCIL THAT:

Section 1. The City of Corpus Christi supports funding this project as described in the 2023 TA Detailed Application (including the preliminary engineering budget, if any, construction budget, the department’s direct state cost for oversight, and the required local match, if any) and is willing to commit to the project’s development, implementation, construction, maintenance, management, and financing. The City of Corpus Christi is willing and able to enter into an agreement with the department by resolution or ordinance, should the project be selected for funding.
