O. APPEALS OF A DECISION OF THE BUILDING STANDARDS BOARD: (ITEM 25)

dilapidated/substandard structure identified as 900 Parkers Alley, also known as 1422 San Juan Street, owned by Markman Brothers Investments Corpus Christi LLC.

Mayor Guajardo referred to Item 25.

Counsel for Markman Brothers Investments Corpus Christi LLC David Klein is asking the Council to reconsider the Building Standards Board's (BSB) order to demolish the property at 900 Parkers Alley, also known as 1422 San Juan Street. Markman Brothers Investments purchased about 125 to 150 properties in Corpus Christi, similar to the one in question. The benefit to the city and the county is that these properties are now lived in and are on the tax rolls. Mr. Klein is asking the Council for 90 days to bring this property up to satisfaction for code enforcement, or for the owner to demolish the property themselves.

Council Members and Mr. Klein discussed the following topics: the owner has struggled with obtaining materials and labor after Hurricane Harvey and COVID; the goal of the Council is to clean up the City; and the 90 day request is due to a labor factor to demolish the property.

City Attorney Miles Risley stated that this resolution upholds the Building Standards Board's order that gives the owner 30 days to demolish the property and recommends approval of the resolution.

Interim Program Manager with Code Enforcement Bobbie-Rae Maldonado stated that staff recommends moving forward with the BSB's recommendation to proceed with demolition, and that no attempt has been made in the past year to make repairs.

The cost estimate to demolish properties varies due to the square footage.

Council Member Lerma made a motion to approve the resolution, seconded by Council Member Smith. This Resolution was passed and approved with the following vote:

Aye: 8 - Mayor Guajardo, Council Member Barrera, Council Member Hernandez, Council Member Hunter, Council Member Lerma, Council Member Molina, Council Member Pusley and Council Member Smith

| Topic | UDC Zoning Map to adopt the Military Compatibility Area Overlay Districts |
| Agenda Item Number | 15: 22-0889 |
| Describe Feedback: | Dear Mayor and Council, |
| | I fully support the adoption of the new UDC Zoning Map to adopt Military Compatibility Area Overlay Districts. This should support the military and the ADP's that were developed and limit the development, where appropriate, and promote growth in the proper areas without risk to the public. By adopting the new zoning map with the overlay, the Development Services and planning Commission will be able to support the ADP's and safety, and they must direct the proper development within our city based on this. By adopting this ordinance, I am glad that the Mayor and City Council have recognized the significance of the military in our community, and you are now placing a priority on meeting their needs and the community's desires.
