Re: Corpus Christi Fire House #5

Dear Mr. Kaper,

AG|CM, Inc. is pleased to have the opportunity to propose Construction Support Services for the City of Corpus Christi on the **Corpus Christi Fire House #5 Project**. Our firm will provide the personnel to perform the scope of Construction Inspection services for the cost of \$71,725.00 as outlined in the attached man hour estimate which is based on a construction time of 270 Calendar days (9 months), plus time before actual construction and all required time after substantial completion is acquired. Our proposal is based on 4% of construction cost and does not included any additional time if required due to delays in project. I have attached the resume of Marcus Garcia for your reference. Marcus will act as the City's onsite representative and liaison between departments.

Again, we greatly appreciate your confidence and the prospect of continuing to provide professional services to the City of Corpus Christi.

Kind Regards,
