

2012 Urban Transportation Plan Amendment Northwest Area Collectors

Northwest Area Collector Streets

- Issue: A property owner has requested that the City consider removing a collector street shown on the Urban Transportation Plan. The collector street has not been dedicated or built and is located 1,000 feet west of and parallel with US 77.

Recommendation

- Standard City Collector spacing is $\frac{1}{2}$ to $\frac{1}{4}$ mile apart.
- The two collectors are less than $\frac{1}{4}$ mile apart.
- Consolidation into a single collector will meet the City standard for collector street spacing.
- Recommendation: Consolidate the two collectors into a single collector street approximately midpoint between County Rd. 69 and US 77.

Recommendation

- City Traffic Engineer recommends: approval.
- Transportation Advisory Committee: approval on 6-25-2012
- Planning Commission: approval on 7-18-2012
- Staff recommends approval.
