**Accepting and Appropriating the FY 2022 HIDTA Grant Award for the Corpus Christi
Police Department**

CAPTION:

Ordinance authorizing acceptance of a grant from the Executive Office of the President, Office of National Drug Control Policy, in an amount of \$89,480.00 for overtime for four sworn officers and lease payments on four vehicles for the FY 2022 High Intensity Drug Trafficking Area Initiative; and appropriating \$89,480.00 in the Police Grants Fund.

SUMMARY:

This ordinance authorizes the acceptance of a grant and appropriation of funds from the Office of National Drug Control Policy to be used for overtime for four sworn officers and lease payments on four vehicles for the FY 2022 High Intensity Drug Trafficking Area Initiative.

BACKGROUND AND FINDINGS:

The Initiative focuses on the identification and disruption of narcotics trafficking organizations operating in Aransas, San Patricio, Refugio, Nueces, Kleberg, Kennedy, Jim Wells, Brooks, and Victoria counties. This specific geographical area serves as a conduit for narcotics into Corpus Christi and other metropolitan cities. Money launderers also conduct illegitimate business in the Corridor, creating a consumer base that affects the local population with residual crime. Other agencies participating in the program are the Nueces County Sheriff, Texas Department of Public Safety, Drug Enforcement Administration, Internal Revenue Service, U. S. Customs, and the Bureau of Alcohol, Tobacco, and Firearms.

With the available funding, the Corpus Christi Police Department (CCPD) anticipates that shipments of narcotics through this area will be intercepted and narcotics traffickers will be apprehended. The data gathered during this initiative will be uploaded and shared with other Drug Trafficking Initiatives across the country in an effort to further suppress criminal activity.

CCPD is in its twenty sixth year as a participant in the Texas Coastal Corridor High Intensity Drug Trafficking Area Initiative. The Initiative was created by the Executive Office of the President, Office of National Drug Control Policy. The FY 2022 grant funds provide for overtime for four Corpus Christi Police Officers and four lease vehicles as part of the High Intensity Drug Trafficking Area Initiative.

This grant award is for activities conducted during January 01, 2022 through December 31, 2023. The City is not required to match funding. The previous year's award also was in the amount of \$89,480.00.

ALTERNATIVES:

The alternative is to not accept the grant, which would result in less punitive measures for narcotics traffickers and money launderers. In order for there not to be less punitive measures, CCPD would need to identify additional funding through the General Fund in order to make up for the loss of \$89,480.00 by not accepting this grant award.

FINANCIAL IMPACT:

The financial impact in FY 2022 is the acceptance of grant funds in an amount of \$89,480.00 and appropriating \$89,480.00 to the Police Grants Fund. There is no required match funding.
