

State of Texas, Criminal Justice Division ALERRT Law Enforcement Training

Ordinance Authorizing Acceptance of Grant Award

Police
Chief of Police, Mike Markle

April 15, 2025

Background Information

The Advanced Law Enforcement Rapid Response Training (ALERRT) program equips officers with evidence based, scenario driven techniques to effectively respond to critical incidents and save lives.

Upon completion, these officers will disseminate this critical knowledge to enhance the preparedness and response capabilities of our police department and surrounding agencies. The "train the trainer" approach is instrumental in multiplying and embedding this vital knowledge, fortifying community resilience, and promoting public safety.

The City has received an award of \$2,945.46.

Background Information

This grant will provide funding for:

To offset the costs of sending four sworn peace officers from the training division to the ALERRT "First Responder Medical - Train the Trainer" course on September 13, 2024, in Lake Jackson, Texas.

The Police Department has not received this funding before.
