

**Resolution authorizing a five-year service agreement with Environmental Improvement, Inc., of Houston, in an amount not to exceed \$400,270.00 for preventative maintenance and the purchase of parts and materials needed by Corpus Christi Water for the disinfection system at the O.N. Stevens Water Treatment Plant, with FY 2024 funding of \$77,426.00 from the Water Fund.**

**WHEREAS**, Environmental Improvement, Inc., provides preventative maintenance as well as parts and materials necessary to the upkeep of Corpus Christi Water's O.N. Stevens Water Treatment Plant's disinfection system;

**WHEREAS**, State law provides that such procurements, as outlined above, are subject to statutory procurement requirements, including competitive bids, unless an exemption applies;

**WHEREAS**, there is a statutory exemption for this procurement in Local Government Code, Section 252.022(a)(2), as this purchase is necessary to preserve or protect the public health or safety of the municipality's residents;

**WHEREAS**, there is also a statutory exemption for this procurement in Local Government Code, Section 252.022(a)(7)(A), as this purchase involves a procurement of items available from only one source due to patents, copyrights, secret processes, or natural monopolies; and

**WHEREAS**, there is an additional statutory exemption for this procurement in Local Government Code, Section 252.022(a)(7)(D), as this purchase includes the procurement of captive replacement parts or components for equipment.

**Be it resolved by the City Council of the City of Corpus Christi, Texas:**

**Section 1.** The City Council specifically finds that the foregoing statements included in the preamble of this resolution are true and correct and adopts such findings for all intents and purposes related to the authorization of this procurement.

**Section 2.** The City Manager, or his designee, is authorized to execute a five-year service agreement with Environmental Improvement, Inc., for preventative maintenance and the purchase of parts and materials needed for the disinfection system at the O.N. Stevens Water Treatment Plant, in an amount not to exceed \$400,270.00, with FY 2024 funding of \$77,426.00 from the Water Fund.
