**Staff Summary:**

**Requested Zoning:** The applicant is requesting a rezoning from the “RE” Residential Estate District with minimum lot size of one acre to the “RS-22” Single-Family 22 District with minimum lot size of 0.5 acres. The property owner wishes to plat the property into three lots that are 0.5 acres in size and one lot over one acre. Easements across the property are limiting development with the existing “RE” Residential Estate one acre minimum lot size.

**Development Plan:** The proposed rezoning is within The Coves at Largo Vista Unit 3 Subdivision. The applicant is proposing a single-family development on the 4.259-acre tract of land. The rezoning application land use statement indicates a desire to replat the property into four single-family lots. At a minimum, the Unified Development Code would require a 25-foot wide front yard and 10-foot rear and side yards for each lot. The subject property currently has access from a 60-foot wide access easement on the northern edge of the property. In the future South Oso Parkway will abut the western edge of the property.

**Existing Land Uses & Zoning:** To the West and North of the subject property the area is zoned with an “RE” Residential Estate District with a Special Permit allowing a minimum lot size of ½ acres. The land use to the West and North is a combination of vacant land and a subdivision under construction. East of the subject property is zoned “RE” Residential Estate District and is developed with a single family dwelling. South of the subject property is outside city limits and is vacant King Ranch property. The “RE” Residential Estate District requires setback requires are: 50 foot front yard; 25 side yard; and 15 foot rear yard. The “RS-22” Residential 22 District setbacks are: 25 foot front yard; 10 side and rear yards.

**AICUZ:** The subject property is not located in one of the Navy’s Air Installation Compatibility Use Zones (AICUZ).

**Comprehensive Plan & Area Development Plan Consistency:** The subject property is located within the boundaries of the London Area Development Plan (ADP). The proposed rezoning to the “RS-22” Residential Single-Family District is consistent with the London ADP but not consistent with the adopted Future Land Use Map’s designation of the property as Estate Residential with minimum lot sizes of one acre.

While the land use designation is not exactly consistent with the Future Land Use designation, the proposed density is substantially less than standard urban residential densities and should still be considered a “large lot” residential density more similar to densities found in Estate Residential than found in Low Density Residential Development land use categories. Additionally, the following are pertinent elements of the Comprehensive Plan and should be considered:

- The density of development in an area should be directly related to the design capacity of the infrastructure. (Policy Statements – General. Policy F.) Since there is no municipal wastewater service in this area, the minimum lot size will allow development to occur and still meet minimum lot size standards for on-site waste disposal systems.
- Each neighborhood of the City shall be protected and/or improved so as to be a desirable and attractive residential environment. (Policy Statements – Residential. Policy A.) Development in the area is of a large lot character as proposed by this rezoning.
- The London Area Development Plan suggested that the city discourage on-site waste disposal systems due to the low permeability of the Victoria Clay soils in the area. While the proliferation of on-site waste disposal systems remains a concern, a municipal wastewater system to serve the area is unlikely in the foreseeable future.
- Provide flood plain management to reduce erosion, peak flows, and poor water quality. (Policy Statements – Stormwater System. Policy B.) The property location is very near the Oso Creek. Large lot development is generally preferable in this location as there is less impervious service associated with large lots (compared with smaller lots/high density development) and, therefore, less urban runoff will flow directly into Oso Creek.

**Plat Status:** The subject property is platted, however, the property owner wishes to replat Lot 21 into smaller lots. The property owner has indicated the desire to replat into four lots. The RS-22 District will allow Lot 21 to be replatted into a maximum of eight lots.

**Department Comments:**

- The proposed rezoning deviates from the Future Land Use Map designation but the deviation is not considered significant since the proposed density of a large lot character and proposed uses for single-family is very similar or identical to the designation of Estate Residential in the Comprehensive Plan.
- The proposed rezoning is consistent with recent (2007) past rezoning of the Lago Vista subdivision to the North and West allowing a Special Permit to reduce lot sizes in the Estate Residential District to 0.5 acres.
- It is staff’s opinion that the proposed rezoning is compatible with the present zoning and conforming uses of nearby property and to the character of the surrounding area.
- The property to be rezoned is suitable for half-acre lots.

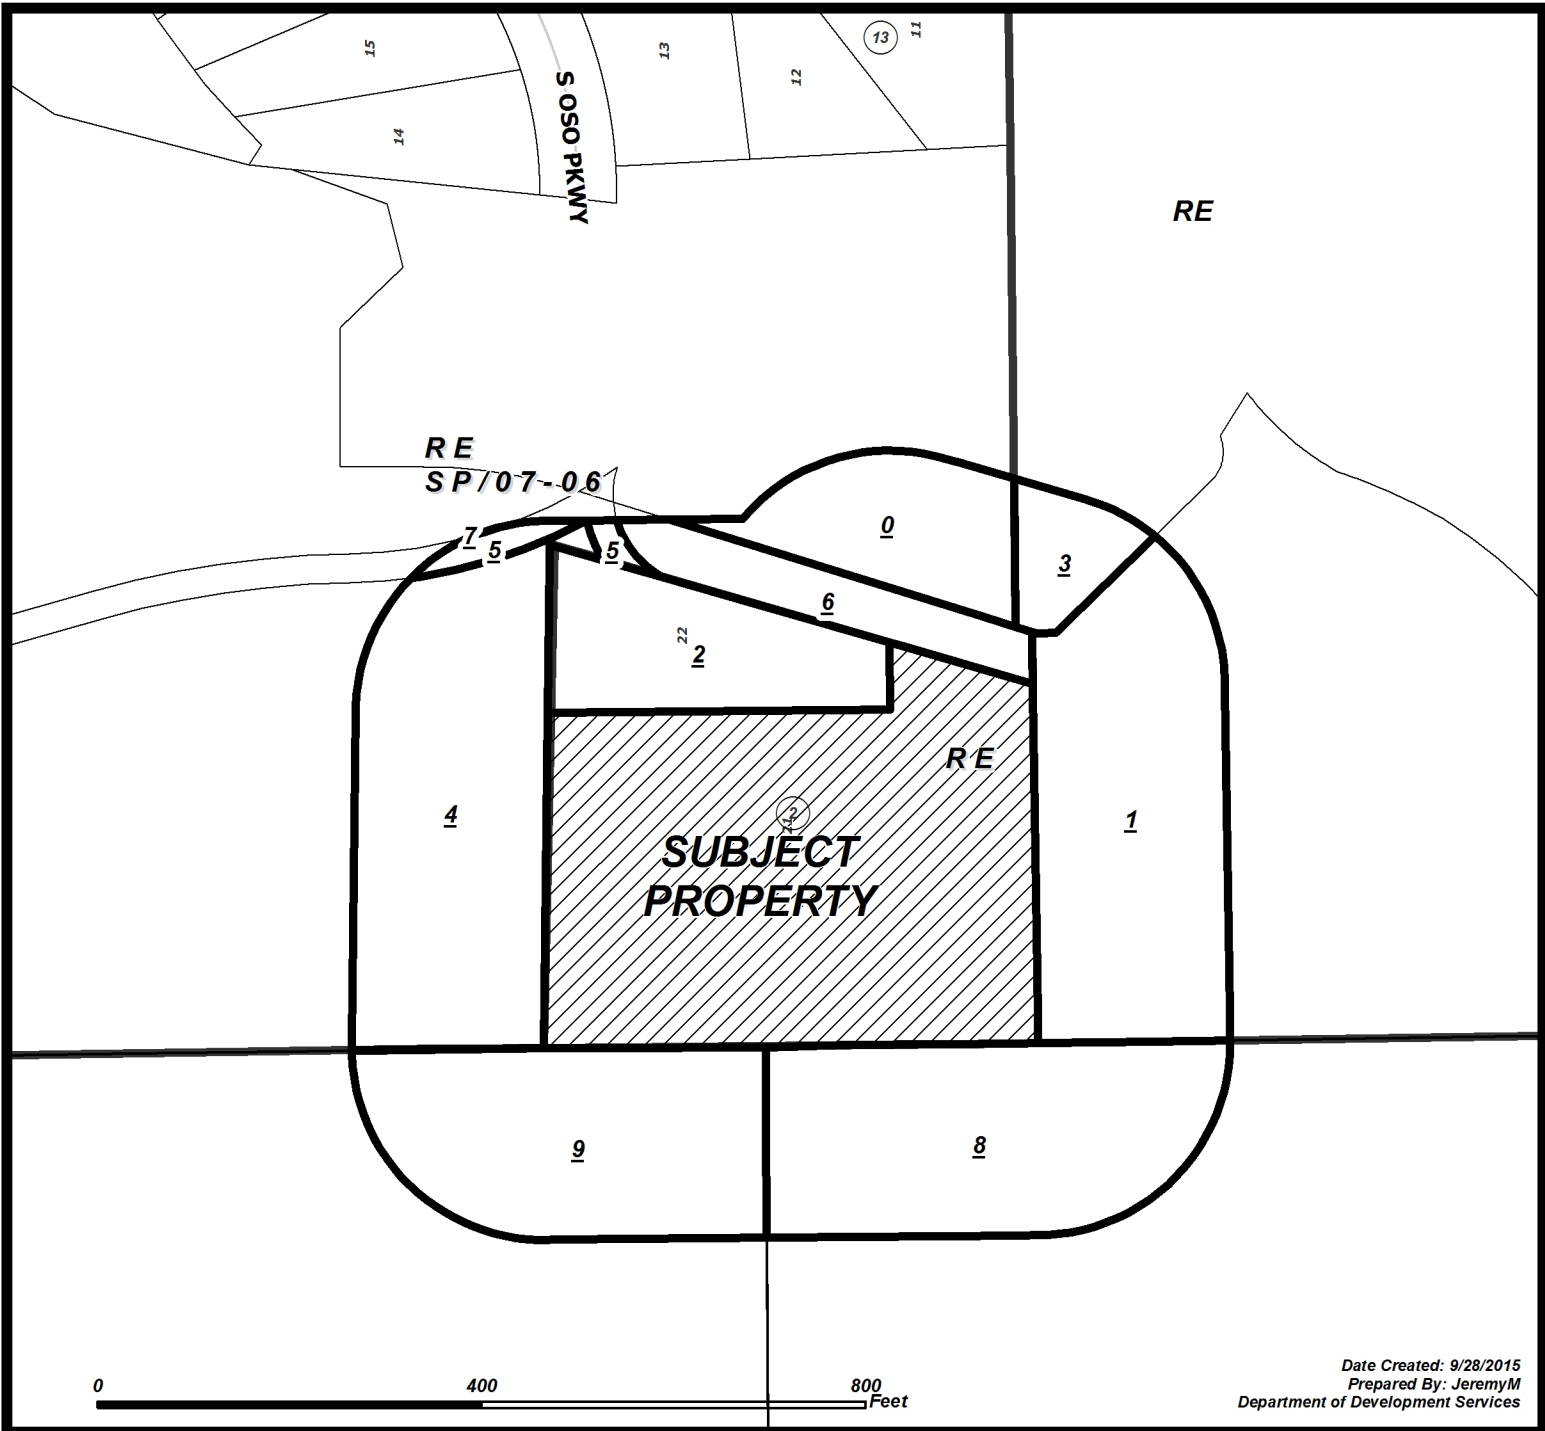

**Planning Commission and Staff Recommendation:**

Approval of the change of zoning from the “RE” Residential Estate District to the “RS-22” Single-Family 22 District.

Edward Gonzalez has petitioned the City of Corpus Christi to consider a change of zoning from the "RE" Residential Estate District to the "RS-22" Single-Family 22 District, resulting in a change to the Future Land Use Map from estate residential uses to low density residential uses. The property to be rezoned is described as:

**Lot 21, Block 2, The Coves at Lago Vista Unit 3, located approximately 1,200 feet east of King Ranch Drive and 600 feet south of the corner of Oso Parkway and Green Jay Court**

The Planning Commission may recommend to City Council approval or denial, or approval of an intermediate zoning classification and/or Special Permit. Approval of a change of zoning, if inconsistent with the City's Comprehensive Plan, will also have the effect of amending the Comprehensive Plan to reflect the approved zoning.

The Planning Commission will conduct a public hearing for this rezoning request to discuss and formulate a recommendation to the City Council. The public hearing will be held on **Wednesday, October 21, 2015**, during one of the Planning Commission's regular meetings, which begins at **5:30 p.m.** in the City Council Chambers, 1201 Leopard Street. You are invited to attend this public hearing to express your views on this rezoning request. For more information, please call (361) 826-3240.

TO BE ON RECORD, THIS FORM MUST BE FILLED OUT, SIGNED BY THE CURRENT PROPERTY OWNER(S) AND MAILED IN ITS ENTIRETY TO THE DEVELOPMENT SERVICES DEPARTMENT, P. O. BOX 9277, CORPUS CHRISTI, TEXAS 78469-9277. ANY INFORMATION PROVIDED BELOW BECOMES PUBLIC RECORD.

NOTE: In accordance with the Planning Commission By-Laws, no discussion shall be held by a member or members of this Commission with an applicant or appellant concerning an application or appeal, either at home or office, or in person, by telephone call or by letter.
