(Attach additional page(s) if needed)

William Street (a 1,240 ft C1 collector street in Downtown Corpus Christi) is very similar to Williams Drive (a 3 mile C3 collector street that stretches from Everhart to Rodd Field Road). The similarity in street name causes a great deal of confusion for our tenant businesses, with packages often not getting delivered.

After completing this application form, please send the application to the Office of the City Secretary, City of Corpus Christi, P.O. Box 9277, Corpus Christi, Texas 78469, Telephone No. (361) 826-3105, citysecretary@cctexas.com.

Any specific questions regarding this application may be directed to the City Traffic Engineer, Traffic Engineering Division, City of Corpus Christi, P.O. Box 9277, Corpus Christi, Texas 78469, Telephone No. (361) 826-3547, Fax No. (361) 826-3545.

Upon receipt of this application in the City Secretary's Office, the City Secretary and City Traffic Engineer shall jointly verify whether the proposed street renaming complies with the City Council policy for proposed street name changes. Upon determination that the proposed street renaming complies with the City Council policy, the City Secretary shall notify the applicant to submit an official application to the City Secretary in writing, directed to the City Council. Upon determination that the proposed street renaming does not comply with the City Council policy, the City Secretary will notify the City Council of the request and the determination that it does not satisfy the Council policy. Unless otherwise directed by a majority of the Council by the end of the next Council meeting after notification, the City Secretary will notify the applicant of the denial and the reasons for the denial.
