City Code Requirement

As a board, commission, or committee member, you will be asked to adhere to: City Code of Ordinances, Section 2-65, states that all members of city boards and commissions, including ad hoc committees, appointed by the city, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served. City Code of Ordinances, Section 2-61, provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

As a board, commission, or committee member, you will be asked to adhere to: City Code of Ordinances, Section 2-65, states that all members of city boards and commissions, including ad hoc committees, appointed by the city, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served. City Code of Ordinances, Section 2-61, provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.
