Please find attached the most up to date "Say No to Defunding Corpus Christi Public Libraries" Petition with 641 signatures. We collected 641 signatures in one month which demonstrates how much our Community loves and supports our Public Libraries. I think you have shown that you support the Libraries by restoring the proposed cuts. We have asked for our chronically underfunded Libraries to receive more funding for at least ten years. A well-funded library system will increase literacy and build community. We truly need both for the City to grow and thrive. I believe that is your goal as well. Let's aim for it! If you would ever like to discuss the Libraries, feel free to contact me.

Sincerely, Julie Rogers 361-461-1967

# Say No to Defunding Corpus Christi Public Libraries

To: Corpus Christi City Council and Mayor Paulette Guajardo

For the FY 2026 Budget, Corpus Christi Public Libraries was seeking to increase the materials budget and Library staffing levels but the FY26 Proposed Budget reduces the materials budget by \$50,000 and eliminates the Branch Manager position at Harte Library. We are asking the Corpus Christi City Council to make our Libraries and literacy a priority so CCPL can achieve their mission.

Corpus Christi Public Libraries needs to have and deserves increased staffing levels, better operational hours and more library resources - not less.

## **Why is this important?**

The mission of CCPL is to improve literacy, enhance knowledge and create a sense of community by making useful information easily accessible to the Corpus Christi area. It's a mission impossible when CCPL is persistently and chronically underfunded. The Libraries are the sixth (6th) least funded department in the City and only received 1.8% of the General Fund Expenditures for FY 2024-25 which is \$6,197, 791 of \$1.8 billion dollars.

It's also a mission impossible to create a sense of community and make information easily accessible with the reduced operating hours at all the Library Branches, but especially at Harte Library in Flour Bluff where weekly operational hours will be reduced from 44 to 28 effective Monday August 11th.

Gas purchase

See attached text message. It seems the gas department hasn't done enough due diligence regarding the purchase of the Rockport gas assets. The residents of Rockport will let you know the lack of maintenance over the years. It is such a mess of leaks and corrosion that city couldn't get a bond to fix it. So, now the City of Corpus Christi will bail them out? If the gas department has extra money, it can be moved to the general fund or the water department. Why in the world is it ok for the City gas department to buy failing gas assets outside the City limit? This sounds like it will be a money pit. Just vote NO. Thank you and have a nice day.

Water rates

**Agenda Item Number**

8

**Comment**

We should not have fluoride in the drinking water. Fluoride needs to be applied topically, with toothpaste. When we use less water, variable expenses fall. Less chemicals, maintenance, and less electricity. Debt is a huge fixed expense. Most water departments encourage conservation because it keeps the rates low. Electricity is listed as a fixed cost, it is a variable cost. The less water you produce and deliver the less electricity you use. Another reason conservation keeps rates low is because you don't have to build expensive new sources of water.

Option 1- \$4.78 shortfall zero

Option 2- \$4.08 (\$.70 less with a shortfall of \$600k)

Option 3- \$3.28 (\$.80 less with a shortfall of \$1.2 million)

Option 4- \$3.08 (\$.20 less with a shortfall of \$4.3 million)

Let's take option 4 for an example. The rate increase is \$.20 less than option 3 but the shortfall is \$4.3 million. This rate increase is less and the shortfall is more than option 2 or option 3. The numbers don't add up.

It would be great to have a video recording of the audit committee meeting. This would make the meetings more transparent to the public. Vote YES.

If an outside agency is needed for a complete investigation regarding the Homewood Suites allegations, it should be done. Vote YES.
