12. *Results of Uncured Default by SCORE.* After exhausting good faith attempts to address any default during the cure Period, and taking into account any extenuating circumstances that might have occurred through no fault of SCORE, as determined by the Board of Directors of the Corporation, the following actions must be taken for any default that remains uncured after the Cure Period.

a. SCORE shall immediately repay all funds paid by Corporation to them under this Agreement.

b. SCORE shall pay Corporation reasonable attorney fees and costs of court to collect amounts due to Corporation if not immediately repaid upon demand from the Corporation.

c. Upon payment by SCORE of all sums due, the Corporation and SCORE shall have no further obligations to one another under this Agreement.

b. No waiver of any covenant or condition, or the breach of any covenant or condition of this Agreement, justifies or authorizes the nonobservance on any other occasion of the covenant or condition or any other covenant or condition of this Agreement.

c. Any waiver or indulgence of SCORE's default may not be considered an estoppel against the Corporation.

d. It is expressly understood that if at any time SCORE is in default in any of its conditions or covenants of this Agreement, the failure on the part of the Corporation to promptly avail itself of the rights and remedies that the Corporation may have, will not be considered a waiver on the part of the Corporation, but Corporation may at any time avail itself of the rights or remedies or elect to terminate this Agreement on account of the default.

14. Payment by Corporation is strictly limited to those funds so allocated, budgeted, and collected solely during the grant term of this Agreement. Corporation shall use its best efforts to anticipate economic conditions and to budget accordingly. However, it is further understood and agreed that, should the actual total sales tax revenue collected for any one year be less than the total amount of grants to be paid to all contracting parties with Corporation for that year, then in that event, all contracting parties shall receive only their pro rata share of the available sales tax revenue for that year, less Corporation's customary and usual costs and expenses, as compared to each contracting parties' grant amount for that year, and Corporation shall not be liable to for any

deficiency at that time or at any time in the future. In this event, Corporation will provide all supporting documentation, as requested. Payments to be made shall also require a written request from SCORE to be accompanied by all necessary supporting documentation.

15. The parties mutually agree and understand that funding under this Agreement is subject to annual appropriations by the City Council; that each fiscal year's funding must be included in the budget for that year; and the funding is not effective until approved by the City Council.
