

Ordinance authorizing execution of Amendment #1 to the co-operative agreement with Vertosoft, LLC, for the renewal of OpenGov pavement management software and the purchase of OpenGov permitting and licensing management software for the Public Works Department through September 30, 2024, with three one-year options and a future auto-renewable term possible, in an amount not to exceed \$204,579.60, with a potential amount up to \$1,012,844.13 if options are exercised, with FY 2024 funding from the Streets Fund.

WHEREAS, the City previously executed a five-year agreement to purchase OpenGov budgeting software from Vertosoft, LLC, through the Texas DIR purchasing cooperative, and now desires to (i) renew a pavement management software module and (ii) purchase a permitting and licensing management software module, to be utilized by the Public Works Department, and to add an auto-renewal clause to the co-op agreement, in order to achieve increased operational efficiencies; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CORPUS CHRISTI, TEXAS:

SECTION 1. The City Manager, or his designee, is authorized to execute Amendment #1 to Cooperative Purchase Agreement #4441 (the "Contract") with Vertosoft, LLC, to renew the OpenGov pavement management software (formerly, Cartegraph) from March 1, 2024, through September 30, 2024; and to purchase and implement OpenGov permitting and licensing management software for a period from January 1, 2024, through September 30, 2024, both software modules to be utilized by the Public Works Department, with three one-year options to renew, in an amount not to exceed \$204,579.60, with a potential amount up to \$1,012,844.13 if options are exercised. Additionally, following the expiration of the last option year of the full Contract and subject to sufficient future annual appropriations, the term of the Contract will auto-renew for continuing one-year terms, unless the Contract has been earlier terminated by either party, in accordance with the provisions of the Contract.

SECTION 2. Funding in the amount of \$204,579.60 from the FY 2024 Streets Fund is provided to renew the pavement management software and implement the permitting and licensing management software that constitutes the subject of Amendment #1 with Vertosoft, LLC.
